Dear Parent,

The school year is off to a great start! We are so pleased to have your child at Talbot Elementary School.

This letter is to inform you that your child is being instructed in math by Dr. Cohen. It is required by law that parents must be notified anytime a teacher is teaching in an area outside of his/her certification area. While technically classified as teaching "out-of-field" for gifted, Dr. Cohen is a fully certified teacher. I have the utmost confidence in her ability to provide an excellent educational experience for your child.

Please feel free to call me at 955-6716 if you have any questions or concerns for your child's educational needs.

Sincerely,

Nannette T. Dell
Principal
