- Congratulations to the following Math Olympiad qualifiers!

The Mathematical Association of America has a series of tests that determine which K-12 kids get to be called Olympiads. This is the highest honor a K-12 student can get in math without actually being on our 5-person International Olympiad team. Florida had 11 qualifiers out of a total of 328 in the country. Alachua County had 4 of those. Buchholz had 3 and no other school in Florida had more than 1. Our qualifiers were:

- o Jake Frazer (12th grade)-5th time
- o Samuel Kim (12th grade)-2nd time
- o Andrew Xing (9th grade)-1st time

We also had 2 Junior Olympiad qualifiers out of a total of 7 in Florida. There were a total of 300 qualifiers in the US. These kids got to take a 6 question 9-hour test last week. 3 questions in 4 and 1/2 hours each of 2 days.

- o Will Guam (10th grade)-1st time
- o Daniel Wang (10th grade)-1st time

- Please join me in congratulating the following students for qualifying to the National Speech and Debate Association's National Tournament in Louisville, Kentucky in June. This makes a total of NINE BHS Speech & Debaters who qualified for one or another of our national tournaments!
  - o Vijay Hans, Dramatic Interpretation
  - o Sebastian Martinez, Lincoln Douglas Debate
  - o Isabelle Tseng, International Extemporaneous Speaking
- Over the break, band students participated in State Solo and Ensemble. Our students performed either individual solos or small ensembles. Those performances were judged by college faculty from either UF, FSU, Stetson or UCF. Our students did well collectively, earning 40 superior ratings, 6 of which were given superior with distinction (performed from memory). Thank you for your support. Go Cats!
- Congratulations to the Buchholz Chess Team: recently took 2nd place at the state championship, narrowly losing out to Hillsborough High. They finished with 13.5 points and we finished with 13.0. I am very proud of this team. The 5-person team consisted of:

- Masks are no longer required: with COVID cases way, way down in our schools since the peak of the omicron surge in mid-January, the district is lifting the mask requirement for employees and visitors in schools. Anyone who wishes to wear a mask may certainly do so, but it will not be required after today. While the case numbers are much better, COVID is obviously not over, so we encourage everyone to continue taking precautions. In particular, if you are sick, please stay home, and if you have COVID symptoms, get tested! Thanks so much for all your efforts to protect students, their families and your coworkers!
