

# Home Internet and Technology Questionnaire

Dear ACPS Families,

Does your child need a FREE laptop or internet connection at home?

Thanks to federal funding, Alachua County Public Schools will be able to help thousands of students who don't have access to a device or internet service at home.

If your child needs a laptop, internet connection or both, let us know by filling out this survey. You can also fill out the survey online (including on your cellphone) at <https://www.sbac.edu/techsurvey>.

Please fill out a survey for each child you have in the Alachua County Public School system and return it to your child's school by MAY 20. This information will remain confidential.

- 
1. Parent/ Guardian's First Name \* \_\_\_\_\_
