At W.W. Irby Elementary, today's learners  
become tomorrow's leaders through a stimulating  
child centered environment.

# WELCOME TO IRBY ELEMENTARY SCHOOL

MESSAGE FROM THE PRINCIPAL

## OUR HISTORY

---

In August of 1992, W.W. Irby Elementary School opened its doors to students. The facility was named after one of the city's outstanding citizens and retired school principal, William Wright Irby. Mr. Irby was born about 100 yards from the school site. He began his teaching career in the Alachua area in 1952 serving continuously as teacher, coach and principal until his retirement in 1984. Although Mr. Irby passed in 2008, his legacy continues on.

# Our Facility

Media and Technology: Parents and students can access a variety of resources in our Media Center. In addition to computer access in the Media Center, Irby Elementary has two computer labs and computers and interactive boards in every classroom.

Cafe: The cafeteria at Irby Elementary serves breakfast and lunch daily. We are a free breakfast and lunch school site. All students eat for free.

Recreation: As you explore our campus you will find three playgrounds that are ADA compliant, a covered basketball court, butterfly garden, reading garden and sensory paths in each building.

# WE ARE COMMITTED TO THE SUCCESS OF EVERY STUDENT!

Our Mission is to encourage each child to become a lifelong learner by performing to his or her potential in a safe, nurturing and challenging learning environment.

Our Vision is to provide a climate of strong supportive relationships and academic excellence in order to promote self-confident, capable lifelong learners.

We Believe:

1. Respect for each individual is fundamental to teaching and learning.
2. All children can learn given appropriate time, instruction and access to resources.
3. Students benefit academically in a safe, supportive and stimulating environment.
4. Students' learning, attendance, and behavior improve when they are actively engaged in meaningful work.
5. Education is a shared responsibility. It is a partnership between home, school and community.
6. High standards and expectations must be maintained through a system of accountability for all students, staff and schools.
7. Quality faculty and staff are essential to school excellence.
