Panther Families,

We are so excited to welcome you to Open House! Open House will look different from what it has historically; however, the opportunity to visit with your child's teacher(s) to ask questions about supplies, schedules, learning and behavior expectations, or any other related question you have is welcomed! Our Open House schedule is as follows:

Tuesday, September 22nd 5:00-7:45pm Grades Pre- K & K-2

Thursday, September 24th 5:00-7:45pm Grades 3 & 4

In an effort to minimize large gatherings of people and maximize social distancing, **one parent representative** will be invited to attend during the time that corresponds to the first letter of the family's last name. Unfortunately, children will not be able to attend. Please see the alpha staggered schedule below:

5-5:30pm: A-G

5:45-6:15pm: H-N

6:30-7:00pm: O-Z

7:15-7:45pm: Virtual session for all families (*classroom teachers will send a Zoom link*)

We kindly ask that all families begin arriving 15 minutes before their scheduled time ***to allow for a member of the leadership team to guide you through the pre-screening process.*** This will include a questionnaire, temperature check, and assurance that you have a facial covering. As you arrive, kindly pull into the car circle of the school parking lot and remain in your vehicle. A member of the leadership team will greet you at your window to conduct the pre-screening process. **An answer of YES to any of the pre-screening questions; a temperature of 100.4 or greater, refusal to wear a face covering, multiple adults and/or siblings, and/or missing your scheduled block of time will result in rescheduling to a later date.** Following successful completion of the pre-screening process, you will receive a 'Welcome Panther Paw' that you will show a Newberry Elementary staff member upon entering the building during your scheduled block of time. While waiting to enter, please park and remain in your vehicle. Water bottles will be available to you should you need. Before entering the building, you will be asked to sanitize

your hands and have your face covering appropriately worn. Once in the building please follow the social distancing signage as you move through the campus and within the classroom.

I appreciate your support and commitment in adhering to our scheduling plan, safety procedures and protocols! We want nothing more than to do our very best to keep everyone as safe as possible.

If you have any questions or concerns please feel free to contact me via email at mcalhacv@gm.sbac.edu or by phone at 352-472-1100.

We look forward to seeing our families!

Warm Regards,

Vicki McAlhany
Principal
