Cambridge Updates

Mr. Ferguson
Principal

The school year is off to a fine start. I am very proud of the hard work, dedication and accomplishments our students show daily in our Cambridge AICE program. Our faculty and staff work tirelessly to provide students with a rigorous and challenging global curriculum that will prepare them for future academic success. Parents and guardians, thank you for your support. We encourage you to partner with us to help your student achieve success in the program and beyond. The 2022-2023 school year will be a great school year!

Dr. Becker
Assistant Principal
for Curriculum

We're already into October Cambridge Students and Families!! I'm thrilled to be back at Gainesville High School as the Assistant Principal of Curriculum and to help oversee the Cambridge Program. Students and teachers are working diligently as we finish up the first 9 weeks of the school year. I've visited all of the Cambridge English classes to discuss the importance of Academic Integrity and the importance of completing original work. Students and families are encouraged to reach out to their Guidance Counselor, Ms. Dupler (Cambridge Coordinator), or myself with any concerns, issues, or questions. We are all here to support our students to be successful academically and emotionally. We love getting to know our students on an individual basis and are always available and ready to help!! You can reach me at beckermk@gm.sbac.edu or (352) 955-6707 ext. 5406. Go Canes!!!

School Counselors

Schedule a meeting for college planning, college application assistance, or academic advising:

Scholarships, community service forms, and other announcements can be found on the GUIDANCE page on the GHS website.

Ms. Dupler
Cambridge Coordinator

I'm so happy to be working with the Cambridge students at GHS! Our 2023 testing will begin on April 24 and continue through June 8. The exam schedule will be finalized and posted on the Cambridge pages in the next couple of months.

If you need to be in touch with me, just send an email to:
duplerrj@gm.sbac.edu
