RE: College Cost Savings through Industry Certification -- Parent Notification – 2019-2020 School Year

Florida Law requires school districts to notify the parent of a student earning an industry certification that articulates for postsecondary credits of estimated cost savings in terms of tuition and fees associated with post-secondary credits. Students and parents must also be informed of all industry certifications available to the student.

Students attending Alachua District Schools have the opportunity to earn the following industry certifications:

Students who earn a recognized industry certification become eligible for the Merit Designation on their high school transcript upon graduation. Students who remain in a Career and Technical (CTE) program of study and earn a minimum of three high school credits in that CTE program will have successfully completed one requirement associated with Florida’s Bright Future Gold Seal Scholarship. Students who earn a recognized industry certification and wish to continue with postsecondary education are eligible to receive articulated credit for successful completion of high school coursework as prescribed in Florida’s Statewide Articulation Agreements found on the Florida Department of Education’s web page:

<http://www.fldoe.org/academics/career-adult-edu/career-technical-edu-agreements/index.stml>

Students earning an industry certification with a statewide articulation agreement shall be eligible to receive the cost savings shown in the table below. In order to receive the associated cost savings and the established articulation credit, a student shall be enrolled in the associated AAS/AS Program of Articulation that is offered at a Florida postsecondary institution. Additionally, students earning a recognized industry certification may earn locally generated articulation credit within a postsecondary CTE pathway.
