

Locating Teacher Appraisals

This document explains how locate teacher appraisals.

Location Teacher Appraisals

ACIS will dynamically add your administrator to your plan according to location. For example, teachers at Eastside High School will have all EHS Administrators automatically added to their plan.

I have teachers missing from Evaluation Participation?

Teachers have to start their plan in order for you to access their appraisals. As soon teachers start their plan, their appraisal record will auto-populate the above page.

What other tools are available in ACIS to track appraisal process?

Go to My Staff tab and access the **Evaluation Status Dashboard**
