Instructions for Certification

1. By signing and submitting the proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. JESSICA LUNSFORD ACT – BIDDER AFFIRMATION FORM

The School Board is required to conduct background screening of Bidders (including its employees, agents, and sub-contractors) that are contracted with the School Board (go to www.sbac.edu for finger printing and Level 2 screening procedures). Background screening includes submission of Bidder's fingerprints to the FDLE and FBI. The standards for screening depend on the nature of the work to be performed by Bidder.

- A. If Bidder's performance either **is** anticipated to result in direct contact with students, or will give Bidder access to or control of school funds, then the screening standard is that Bidder may not have been convicted of a crime involving moral turpitude. The School Board has defined "crimes involving moral turpitude" to include, but not be limited to the following: felony sexual-related crimes, felony child abuse crimes, murder, lewd and lascivious crimes, indecent exposure (if sexual in nature), and felony distribution or sale of controlled substances.
- B. If Bidder's performance **is not** anticipated to result in direct contact with students, then the screening standard is that Bidder may not have been convicted of any of the following offenses: Any offense listed in s. [943.0435](#)(1)(a)1., relating to the registration of an individual as a sexual offender; Section [393.135](#), relating to sexual misconduct with certain developmentally disabled clients and the reporting of such sexual misconduct; Section [394.4593](#), relating to sexual misconduct with certain mental health patients and the reporting of such sexual misconduct; Section [775.30](#), relating to terrorism; Section [782.04](#), relating to murder; Section [787.01](#), relating to kidnapping; Any offense under chapter 800, relating to lewdness and indecent exposure; Section [826.04](#), relating to incest; Section [827.03](#), relating to child abuse, aggravated child abuse, or neglect of a child.

"Convicted" means that there has been a determination of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere, regardless of whether adjudication is withheld. Conviction of a similar offense includes, but is not limited to, a conviction by a federal or military tribunal, including courts-martial conducted by the Armed Forces of the United States, and includes a conviction or entry of a plea of guilty or nolo contendere resulting in a sanction in any state of the United States or other jurisdiction. A sanction includes, but is not limited to, a fine, probation, community control, parole, conditional release, control release, or incarceration in a state prison, federal prison, private correctional facility, or local detention facility.

Exemptions from fingerprint based background screening: If Bidder's work is non-instructional in nature, then Bidder may be exempt from the background screening requirements above if Bidder meets one of the following criteria: **1)** Bidder is under the direct supervision of a School Board employee or contractor or one or more Bidder employees who have had a criminal history check and meet the screening requirements under s. 1012.32, s. 1012.465, s. 1012.467, or s. 1012.56. "Direct supervision" means that a School Board employee or contractor or one or more Bidder employees is physically present with Bidder when Bidder has access to a student and the access remains in the School Board employee's or the contractor's or one or more Bidder employees' line of sight; **2)** Bidder is required by law to undergo a level 2 background screening pursuant to s. 435.04 for licensure, certification, employment, or other purposes and Bidder submits evidence of meeting the following criteria: a) Bidder meets the screening standards in s. 435.04, b) Bidder's license or certificate is active and in good standing, if Bidder is a licensee or certificate-holder, c) Bidder has completed the criminal history check within 5 years prior to seeking access to school grounds when students are present; **3)** Bidder is a law enforcement officer, as defined in s. 943.10, who is assigned or dispatched to school grounds by Bidder's employer; **4)** Bidder is an employee or medical director of an ambulance provider, licensed pursuant to chapter 401, who is providing medical transportation services; **5)** Bidder remains at a site where students are not permitted and the site is separated from the remainder of the school grounds by a single chain-link fence of 6 feet in height; **6)** Bidder provides pick-up or delivery services and those services involve brief visits on school grounds when students are present.

However, even if Bidder is an exempt as defined above, Bidder will be subject to a search of Bidder's name against the registration information regarding sexual predators and sexual offenders maintained by the FDLE under s. 943.043 and the national sex offender public registry maintained by the U.S. Department of Justice. There is no charge for this search.

Certification

By submitting a Bid in response to this IFB, Bidder swears and affirms under penalty of perjury that all of its employees, agents, and sub-contractors will comply with this form, the requirements of the Jessica Lunsford Act, SBAC's fingerprinting procedures, and the laws of the State of Florida. Failure to comply with this form, the Jessica Lunsford Act, SBAC's fingerprinting procedures, and the laws of the State of Florida shall constitute a material breach of the contract, and SBAC may avail itself of all remedies pursuant to law. Bidder agrees to indemnify and hold harmless the School Board, its officers, employees, and agents, from and against any and all claims or causes of action, including without limitation those for personal injury, death, property damages, and attorney fees, arising out of or relating to Bidder's failure to comply with this form, the Jessica Lunsford Act, SBAC's fingerprinting procedures, and the laws of the State of Florida.

GENERAL CONDITIONS, INSTRUCTIONS TO BIDDERS – SUPPLIES/SERVICES

1. DEFINITIONS:

Invitation for Bids (IFB)-a formal request to prospective vendors soliciting bids, which contains the specifications or scope of services and all contractual terms and conditions.

Bid-an offer submitted by a prospective vendor in response to an invitation for bid (IFB).

Offer-a response to an IFB that, if accepted, would bind the vendor making the offer to perform the resulting Contract.

Bidder- an individual, firm, association, joint venture, partnership, syndicate, corporation, or group that submits a Bid in response to an IFB.

Responsive Bidder-a vendor who has submitted a Bid that conforms in all material respects to the requirements stated in the IFB.

Responsible Bidder-a Bidder who has the capability in all respects to perform fully the Contract requirements, and the experience, integrity, reliability, capacity, facilities, equipment, and credit that will assure good faith performance.

Lowest Responsible Bidder-the Bidder that submitted a responsive Bid at the lowest price of all the responsive Bids submitted, and whose past performance and financial capability is deemed acceptable.

Alternate Bid-a sealed Bid that intentionally deviates from the IFB specifications and is submitted by a Bidder for consideration by SBAC (see below).

Contract-The submission of a Bid constitutes an offer by the Bidder. Upon acceptance by School Board of Alachua County ("SBAC"), the Purchasing Department will issue a purchase order(s) for supplies, equipment, and/or services pursuant to the IFB. The Bidder's offer, the IFB document, and the corresponding purchase order(s) constitute the complete agreement between the successful Bidder and SBAC. Unless otherwise stipulated in the IFB documents, no other contract documents shall be issued or accepted.

2. ORDER OF PRECEDENCE: In the event of any inconsistency between Attachment A and the other documents that together comprise this IFB, such inconsistency will be resolved by giving precedence in the following order: (a) specifications or scope of services; (b) drawings; (c) special conditions; (d) Attachment A; (e) other documents, exhibits, and attachments; (f) the Purchase Order(s).

3. GENERAL BIDDERS INFORMATION: Interested Bidders are advised that SBAC will not, unless specified elsewhere in the IFB document, consider Bids that contain an escalation clause, nor may a successful Bidder seek an increase in price of the items awarded to them under this Bid.

It is understood that normal Bid processing time will be 30 - 60 days after the Bid opening date and that Bid prices will be firm through Bid processing time and delivery of items awarded via Purchase Order.

SBAC reserves the right in its sole discretion to waive any irregularities or minor technicalities in Bids received, reject any or all Bids, accept any part thereof, award to other than the low Bidder, award in the best interest of the SBAC, or cancel the IFB at its discretion.

A signed Bid shall be considered an Offer on the part of the Bidder, which Offer shall be deemed accepted upon approval by SBAC. In the event of a default by the Bidder after such acceptance, SBAC may take such action as it deems appropriate including legal action for damages or specific performance.

The successful Bidder shall give first priority to SBAC in the event of a hurricane, flood, or other natural disaster, or any event identified as an emergency by SBAC.

4. **BID OPENING:** Shall be public at the time and date specified elsewhere in this IFB. It is the Bidder's responsibility to ensure that the Bid is delivered at the proper time and place. Bids received after the date and time specified in the IFB will be returned to the Bidder unopened. Bids received by telephone, telegraph or facsimile transmission will be considered non-responsive.

5. **AWARD:** SBAC will award a Contract to the lowest responsive and responsible Bidder.

SBAC reserves the right to make award(s) on an individual, multiple, lump sum or low total basis. See also Item 62 below.

6. **WORK CONDITIONS/IFB EXAMINATION:** Bidders shall become familiar with any work conditions that may, in any manner, affect the work to be performed under the Contract and shall thoroughly examine and be familiar with the IFB requirements. The failure or omission of any Bidder to become familiar with local work conditions or to examine the IFB shall in no way relieve it of its obligations with respect to the IFB or the subsequent Contract.

7. **SILENCE OF THE SPECIFICATIONS:** The apparent silence of the IFB specifications as to any detail, or the omission from the specifications of a detailed description, concerning any point shall be construed as meaning that only the best commercial practices are to prevail and that only materials of the highest quality and correct type, size, and design are to be used. All interpretations of the specifications shall be made on the basis of this statement.

8. **ADDITIONAL TERMS AND CONDITIONS:** No additional terms and conditions included with any Bid shall be evaluated or considered and any and all such additional terms and conditions shall have no force and effect and are inapplicable to this IFB, whether submitted purposefully through intent or design or inadvertently appearing separately in transmittal letters, specifications, literature, price lists, warranties, or shipping documents. It is understood and agreed that only the terms, conditions, and specifications appearing in this IFB are applicable and in full force and effect. The Bidder's authorized signature appearing elsewhere in the IFB attests to this.

9. **MANUFACTURER'S NAME AND "OR EQUAL" PRODUCTS:** Unless expressly stated otherwise in the IFB, manufacturer's names, trade names, brand names, and catalog numbers listed in the specifications are for the purpose of establishing minimum acceptable levels of quality required by SBAC, and are not intended to limit competition. Unless expressly stated otherwise in the IFB, Bidders may offer any "or equal" product that meets or exceeds the specifications for any items contained herein. For "or equal" Bids, Bidders shall indicate on the Form of Proposal the manufacturer's name and product number proposed. Bidders shall submit with their Bids detailed information (cut sheets, product literature, diagrams, drawings, specifications, etc.) sufficient to allow SBAC to determine whether in fact the proposed "or equal" product(s) meets or exceeds SBAC's minimum requirements, as reflected in the specifications. It is the Bidder's responsibility to submit proof that the proposed "or equal" product does in fact meet or exceed the specifications.

This responsibility does not rest with SBAC. SBAC reserves the right in its sole discretion to determine whether or not the proposed "or equal" product(s) complies or does not comply with the minimum specification requirements. Bids that do not meet or exceed the requirements of the specifications will be deemed non-responsive and will not be further considered for award. If a Bidder fails to note the manufacturer and model number on the Form of Proposal, it will be assumed that it is bidding on the specified product(s).
