JESSICA LUNSFORD ACT – BIDDER AFFIRMATION FORM

The School Board is required to conduct background screening of Bidders (including its employees, agents, and sub-contractors) that are contracted with the School Board (go to www.sbac.edu for finger printing and Level 2 screening procedures). Background screening includes submission of Bidder’s fingerprints to the FDLE and FBI. The standards for screening depend on the nature of the work to be performed by Bidder.

- A. If Bidder’s performance either **is** anticipated to result in direct contact with students, or will give Bidder access to or control of school funds, then the screening standard is that Bidder may not have been convicted of a crime involving moral turpitude. The School Board has defined “crimes involving moral turpitude” to include, but not be limited to the following: felony sexual-related crimes, felony child abuse crimes, murder, lewd and lascivious crimes, indecent exposure (if sexual in nature), and felony distribution or sale of controlled substances.
- B. If Bidder’s performance **is not** anticipated to result in direct contact with students, then the screening standard is that Bidder may not have been convicted of any of the following offenses: Any offense listed in s. [943.0435](#)(1)(a)1., relating to the registration of an individual as a sexual offender; Section [393.135](#), relating to sexual misconduct with certain developmentally disabled clients and the reporting of such sexual misconduct; Section [394.4593](#), relating to sexual misconduct with certain mental health patients and the reporting of such sexual misconduct; Section [775.30](#), relating to terrorism; Section [782.04](#), relating to murder; Section [787.01](#), relating to kidnapping; Any offense under chapter 800, relating to lewdness and indecent exposure; Section [826.04](#), relating to incest; Section [827.03](#), relating to child abuse, aggravated child abuse, or neglect of a child.

"Convicted" means that there has been a determination of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere, regardless of whether adjudication is withheld. Conviction of a similar offense includes, but is not limited to, a conviction by a federal or military tribunal, including courts-martial conducted by the Armed Forces of the United States, and includes a conviction or entry of a plea of guilty or nolo contendere resulting in a sanction in any state of the United States or other jurisdiction. A sanction includes, but is not limited to, a fine, probation, community control, parole, conditional release, control release, or incarceration in a state prison, federal prison, private correctional facility, or local detention facility.

Exemptions from fingerprint based background screening: If Bidder’s work is non-instructional in nature, then Bidder may be exempt from the background screening requirements above if Bidder meets one of the following criteria: **1)** Bidder is under the direct supervision of a School Board employee or contractor or one or more Bidder employees who have had a criminal history check and meet the screening requirements under s. 1012.32, s. 1012.465, s. 1012.467, or s. 1012.56. "Direct supervision" means that a School Board employee or contractor or one or more Bidder employees is physically present with Bidder when Bidder has access to a student and the access remains in the School Board employee's or the contractor's or one or more Bidder employees’ line of sight; **2)** Bidder is required by law to undergo a level 2 background screening pursuant to s. 435.04 for licensure, certification, employment, or other purposes and Bidder submits evidence of meeting the following criteria: a) Bidder meets the screening standards in s. 435.04, b) Bidder’s license or certificate is active and in good standing, if Bidder is a licensee or certificate-holder, c) Bidder has completed the criminal history check within 5 years prior to seeking access to school grounds when students are present; **3)** Bidder is a law enforcement officer, as defined in s. 943.10, who is assigned or dispatched to school grounds by Bidder’s employer; **4)** Bidder is an employee or medical director of an ambulance provider, licensed pursuant to chapter 401, who is providing medical transportation services; **5)** Bidder remains at a site where students are not permitted and the site is separated from the remainder of the school grounds by a single chain-link fence of 6 feet in height; **6)** Bidder provides pick-up or delivery services and those services involve brief visits on school grounds when students are present.

However, even if Bidder is an exempt as defined above, Bidder will be subject to a search of Bidder’s name against the registration information regarding sexual predators and sexual offenders maintained by the FDLE under s. 943.043 and the national sex offender public registry maintained by the U.S. Department of Justice. There is no charge for this search.

Unless otherwise stipulated in the IFB documents, no other contract documents shall be issued or accepted.

2. ORDER OF PRECEDENCE: In the event of any inconsistency between Attachment A and the other documents that together comprise this IFB, such inconsistency will be resolved by giving precedence in the following order: (a) specifications or scope of services; (b) drawings; (c) special conditions; (d) Attachment A; (e) other documents, exhibits, and attachments; (f) the Purchase Order(s).

3. GENERAL BIDDERS INFORMATION: Interested Bidders are advised that SBAC will not, unless specified elsewhere in the IFB document, consider Bids that contain an escalation clause, nor may a successful Bidder seek an increase in price of the items awarded to them under this Bid.

It is understood that normal Bid processing time will be 30 - 60 days after the Bid opening date and that Bid prices will be firm through Bid processing time and delivery of items awarded via Purchase Order.

SBAC reserves the right in its sole discretion to waive any irregularities or minor technicalities in Bids received, reject any or all Bids, accept any part thereof, award to other than the low Bidder, award in the best interest of the SBAC, or cancel the IFB at its discretion.

A signed Bid shall be considered an Offer on the part of the Bidder, which Offer shall be deemed accepted upon approval by SBAC. In the event of a default by the Bidder after such acceptance, SBAC may take such action as it deems appropriate including legal action for damages or specific performance.

The successful Bidder shall give first priority to SBAC in the event of a hurricane, flood, or other natural disaster, or any event identified as an emergency by SBAC.

4. BID OPENING: Shall be public at the time and date specified elsewhere in this IFB. It is the Bidder's responsibility to ensure that the Bid is delivered at the proper time and place. Bids received after the date and time specified in the IFB will be returned to the Bidder unopened. Bids received by telephone, telegraph or facsimile transmission will be considered non-responsive.

5. AWARD: SBAC will award a Contract to the lowest responsive and responsible Bidder.

SBAC reserves the right to make award(s) on an individual, multiple, lump sum or low total basis. See also Item 62 below.

6. WORK CONDITIONS/IFB EXAMINATION: Bidders shall become familiar with any work conditions that may, in any manner, affect the work to be performed under the Contract and shall thoroughly examine and be familiar with the IFB requirements. The failure or omission of any Bidder to become familiar with local work conditions or to examine the IFB shall in no way relieve it of its obligations with respect to the IFB or the subsequent Contract.

7. SILENCE OF THE SPECIFICATIONS: The apparent silence of the IFB specifications as to any detail, or the omission from the specifications of a detailed description, concerning any point shall be construed as meaning that only the best commercial practices are to prevail and that only materials of the highest quality and correct type, size, and design are to be used. All interpretations of the specifications shall be made on the basis of this statement.

8. ADDITIONAL TERMS AND CONDITIONS: No additional terms and conditions included with any Bid shall be evaluated or considered and any and all such additional terms and conditions shall have no force and effect and are inapplicable to this IFB, whether submitted purposefully through intent or design or inadvertently appearing separately in transmittal letters, specifications, literature, price lists, warranties, or shipping documents. It is understood and agreed that only the terms, conditions, and specifications appearing in this IFB are applicable and in full force and effect. The Bidder's authorized signature appearing elsewhere in the IFB attests to this.

9. MANUFACTURER'S NAME AND "OR EQUAL" PRODUCTS: Unless expressly stated otherwise in the IFB, manufacturer's names, trade names, brand names, and catalog numbers listed in the specifications are for the purpose of establishing minimum acceptable levels of quality required by SBAC, and are not intended to limit competition. Unless expressly stated otherwise in the IFB, Bidders may offer any "or equal" product that meets or exceeds the specifications for any items contained herein. For "or equal" Bids, Bidders shall indicate on the Form of Proposal the manufacturer's name and product number proposed. Bidders shall submit with their Bids detailed information (cut sheets, product literature, diagrams, drawings, specifications, etc.) sufficient to allow SBAC to determine whether in fact the proposed "or equal" product(s) meets or exceeds SBAC's minimum requirements, as reflected in the specifications. It is the Bidder's responsibility to submit proof that the proposed "or equal" product does in fact meet or exceed the specifications.

This responsibility does not rest with SBAC. SBAC reserves the right in its sole discretion to determine whether or not the proposed "or equal" product(s) complies or does not comply with the minimum specification requirements. Bids that do not meet or exceed the requirements of the specifications will be deemed non-responsive and will not be further considered for award. If a Bidder fails to note the manufacturer and model number on the Form of Proposal, it will be assumed that it is bidding on the specified product(s).

SBAC reserves the right to request from Bidders separate manufacturer certification of all statements made in the Bids.

17. LINE ITEM BID CORRECTIONS: The use of correction fluid or erasures to correct line item Bid prices and/or quantities is not acceptable. - A potential Bidder desiring to correct or amend its Bid must do so by replacing the Bid package currently in the Purchasing Department's possession with a new Bid package, which must meet the requirements of the IFB and be properly sealed and identified in order to be considered for award. An amended or corrected Bid package must be accompanied by a letter requesting that it be substituted for the Bid currently in the possession of the Purchasing Department, must be addressed to SBAC Purchasing Agent, and contain the legally binding signature of the Bidder desiring to correct or amend its Bid. Such a request must be received in sufficient time for the substitution to be made.
