JESSICA LUNSFORD ACT – OFFEROR AFFIRMATION FORM

The School Board is required to conduct background screening of Offerors (including its employees, agents, and sub-contractors) that are contracted with the School Board (go to www.sbac.edu for finger printing and Level 2 screening procedures). Background screening includes submission of Offeror’s fingerprints to the FDLE and FBI. The standards for screening depend on the nature of the work to be performed by Offeror.

- A. If Offeror’s performance either **is** anticipated to result in direct contact with students, or will give Offeror access to or control of school funds, then the screening standard is that Offeror may not have been convicted of a crime involving moral turpitude. The School Board has defined “crimes involving moral turpitude” to include, but not be limited to the following: felony sexual-related crimes, felony child abuse crimes, murder, lewd and lascivious crimes, and indecent exposure (if sexual in nature).
- B. If Offeror’s performance **is not** anticipated to result in direct contact with students, then the screening standard is that Offeror may not have been convicted of any of the following offenses: Any offense listed in s. [943.0435\(1\)\(a\)1.](#), relating to the registration of an individual as a sexual offender; Section [393.135](#), relating to sexual misconduct with certain developmentally disabled clients and the reporting of such sexual misconduct; Section [394.4593](#), relating to sexual misconduct with certain mental health patients and the reporting of such sexual misconduct; Section [775.30](#), relating to terrorism; Section [782.04](#), relating to murder; Section [787.01](#), relating to kidnapping; Any offense under chapter 800, relating to lewdness and indecent exposure; Section [826.04](#), relating to incest; Section [827.03](#), relating to child abuse, aggravated child abuse, or neglect of a child.

"Convicted" means that there has been a determination of guilt as a result of a trial or the entry of a plea of guilty or nolo contendere, regardless of whether adjudication is withheld. Conviction of a similar offense includes, but is not limited to, a conviction by a federal or military tribunal, including courts-martial conducted by the Armed Forces of the United States, and includes a conviction or entry of a plea of guilty or nolo contendere resulting in a sanction in any state of the United States or other jurisdiction. A sanction includes, but is not limited to, a fine, probation, community control, parole, conditional release, control release, or incarceration in a state prison, federal prison, private correctional facility, or local detention facility.

Exemptions from fingerprint based background screening: If Offeror’s work is non-instructional in nature, then Offeror may be exempt from the background screening requirements above if Offeror meets one of the following criteria: **1)** Offeror is under the direct supervision of a School Board employee or contractor or one or more Offeror employees who have had a criminal history check and meets the screening requirements under s. 1012.32, s. 1012.465, s. 1012.467, or s. 1012.56. "Direct supervision" means that a School Board employee or contractor or one or more Offeror employees are physically present with Offeror when Offeror has access to a student and the access remains in the School Board employee’s or the contractor’s or the Offeror’s employees’ line of sight; **2)** Offeror is required by law to undergo a level 2 background screening pursuant to s. 435.04 for licensure, certification, employment, or other purposes and Offeror submits evidence of meeting the following criteria: a) Offeror meets the screening standards in s. 435.04, b) Offeror’s license or certificate is active and in good standing, if Offeror is a licensee or certificate-holder, c) Offeror has completed the criminal history check within 5 years prior to seeking access to school grounds when students are present; **3)** Offeror is a law enforcement officer, as defined in s. 943.10, who is assigned or dispatched to school grounds by Offeror’s employer; **4)** Offeror is an employee or medical director of an ambulance provider, licensed pursuant to chapter 401, who is providing medical transportation services; **5)** Offeror remains at a site where students are not permitted and the site is separated from the remainder of the school grounds by a single chain-link fence of 6 feet in height; **6)** Offeror provides pick-up or delivery services and those services involve brief visits on school grounds when students are present.

However, even if Offeror is exempt as defined above, Offeror will be subject to a search of Offeror’s name against the registration information regarding sexual predators and sexual offenders maintained by the FDLE under s. 943.043 and the national sex offender public registry maintained by the U.S. Department of Justice. There is no charge for this search.

Offeror agrees to indemnify and hold harmless the School Board, its officers, employees, and agents, from and against any and all claims or causes of action, including without limitation those for personal injury, death, property damages, and attorney fees, arising out of or relating to Offeror's failure to comply with this form, the requirements of the Jessica Lunsford Act, SBAC’s fingerprinting procedures, and the laws of the State of Florida.

GENERAL CONDITIONS, INSTRUCTIONS TO OFFERORS – SUPPLIES/SERVICES

1. DEFINITIONS:

Request for Proposal (RFP)-a formal request to prospective vendors soliciting written proposals, which contains a description of the commodities and/or services required, all contractual terms and conditions, and sets forth the basis for selecting the successful vendor, price and other factors herein considered.

Proposal-an offer submitted by a prospective vendor in response to a request for proposal (RFP).

Offer-a response to an RFP that, if accepted, would bind the vendor making the offer to perform the resulting Contract.

Offeror- an individual, firm, association, joint venture, partnership, syndicate, corporation, or group that submits a Proposal in response to an RFP.

Responsible Offeror-an Offeror who has the capability in all respects to perform fully the RFP requirements, and the experience, integrity, reliability, capacity, facilities, equipment, personnel, and credit that will assure good faith performance.

Contract--The submission of a Proposal constitutes an Offer by the Offeror. Upon acceptance by School Board of Alachua County ("SBAC"), the Purchasing Department will issue a purchase order(s) for supplies, equipment, and/or services pursuant to the RFP. The Offeror's Offer, the RFP document, and the corresponding purchase order(s) constitute the complete agreement between the successful Offeror and SBAC. Unless otherwise stipulated in the RFP documents, no other contract documents shall be issued or accepted.

2. ORDER OF PRECEDENCE: In the event of any inconsistency between Attachment A and the other documents that together comprise this RFP, such inconsistency will be resolved by giving precedence in the following order: (a) specifications or scope of services; (b) drawings; (c) special conditions; (d) Attachment A; (e) other documents, exhibits, and attachments; (f) the Purchase Order(s).

3. GENERAL OFFERORS INFORMATION: Interested Offerors are advised that SBAC will not, unless specified elsewhere in the RFP document, consider Proposals that contain an escalation clause, nor may a successful Offeror seek an increase in price of the items awarded to them under this RFP.

It is understood that normal Proposal processing time will be 30 - 60 days after the Proposal opening date and that Proposal prices will be firm through Proposal processing time and delivery of items awarded via Purchase Order.

SBAC reserves the right in its sole discretion to waive any irregularities or minor technicalities in Proposal, reject any or all Proposals, accept any part thereof, award to other than the low Offeror, award in the best interest of the SBAC, or cancel the RFP at its discretion.

A signed Proposal shall be considered an Offer on the part of the Offeror, which Offer shall be deemed accepted upon approval by SBAC. In the event of a default by the Offeror after such acceptance, SBAC may take such action as it deems appropriate including legal action for damages or specific performance.

The successful Offeror shall give first priority to SBAC in the event of a hurricane, flood, or other natural disaster, or any event identified as an emergency by SBAC. PROPOSAL OPENING: Shall be public at the time and date specified elsewhere in this RFP. It is the Offeror's responsibility to ensure that the Proposal is delivered at the proper time and place. Proposals received after the date and time specified in the RFP will be rejected and returned to the Offeror unopened. Proposals received by telephone, telegraph or facsimile transmission will be rejected by SBAC and not considered for contract award.

4. AWARD: SBAC will award a Contract to the Responsible Offeror, whose Proposal is most advantageous to SBAC, price and other factors herein considered.

SBAC reserves the right to make award(s) on an individual, multiple, lump sum or low total basis. See also Item 61 below.

5. WORK CONDITIONS/RFP EXAMINATION: Offerors shall become familiar with any work conditions that may, in any manner, affect the work to be performed the Contract and shall thoroughly examine and be familiar with the RFP requirements. The failure or omission of any Offeror to become familiar with local work conditions or to examine the RFP shall in no way relieve it of its obligations with respect to the RFP or the subsequent Contract.

6. SILENCE OF THE SPECIFICATIONS: The apparent silence of the RFP special conditions or specifications as to any detail, or the omission from the special conditions or specifications of a detailed description, concerning any point shall be construed as meaning that only the best commercial practices are to prevail and that only materials of the highest quality and correct type, size, and design are to be used. All interpretations of the special conditions and specifications shall be made on the basis of this statement.

7. ADDITIONAL TERMS AND CONDITIONS: No additional terms and conditions included with any Proposal shall be evaluated or considered and any and all such additional terms and conditions shall have no force and effect and are inapplicable to this RFP, whether submitted purposefully through intent or design or inadvertently appearing separately in transmittal letters, specifications, literature, price lists, warranties, or shipping documents. It is understood and agreed that only the terms, conditions, and specifications appearing in this RFP are applicable and in full force and effect. The Offeror's authorized signature appearing elsewhere in the RFP attests to this.

8. MANUFACTURER'S NAME AND "OR EQUAL" PRODUCTS: Unless expressly stated otherwise in the RFP, manufacturer's names, trade names, brand names, and catalog numbers listed in the specifications or special conditions are for the purpose of establishing minimum acceptable levels of quality required by SBAC, and are not intended to limit competition. Unless expressly stated otherwise in the RFP, Offerors may offer any "or equal" product that meets or exceeds the specifications for any items contained herein. For "or equal" offers, Offerors shall indicate on the Form of Proposal the manufacturer's name and product number proposed. Offerors shall submit with their Proposal detailed information (cut sheets, product literature, diagrams, drawings, specifications, etc.) sufficient to allow SBAC to determine whether in fact the proposed "or equal" product(s) meets or exceeds SBAC's minimum requirements, as reflected in the specifications. It is the Offeror's responsibility to submit proof that the proposed "or equal" product does in fact meet or exceed the specifications.

This responsibility does not rest with SBAC. SBAC reserves the right in its sole discretion to determine whether or not the proposed "or equal" product(s) complies or does not comply with the minimum specification requirements. Proposals that do not meet or exceed the requirements of the specifications will be deemed non-responsive and will not be further considered for award.

If an Offeror fails to note the manufacturer and model number on the Form of Proposal, it will be assumed that it is bidding on the specified product(s).

SBAC reserves the right to request from Offerors separate manufacturer certification of all statements made in the Proposal.

9. FORM: Proposals must be typed or printed in ink on the form contained in or prescribed by the RFP and shall bear the original signature and name of the company employee authorized to execute Contracts on behalf of their firm.
10. COLLUSION: The Proposal shall be made without any previous understanding, agreement, or connections with any persons, firms, or corporations making a Proposal on the same items and shall be in all respects fair and in good faith without any outside control, collusion, or fraud.
11. COMMUNICATION WITH SBAC EMPLOYEES: Prior to the RFP due date and during evaluation of Proposals by SBAC, communication with SBAC employees other than the Purchasing Agent regarding the RFP and the contents therein is prohibited, and shall constitute good cause for disqualifying an Offeror. The Purchasing Department shall issue any material instructions, interpretations, or directions regarding the RFP in writing.
12. CONFLICT OF INTEREST: Contract award is subject to the provisions of 112, F.S. Offerors must disclose with their Proposal the name of any officer, director, or agent who is also an employee of SBAC. Further, all Offerors must disclose the name of any Board employee who owns, directly or indirectly, an interest of 5% or more in the Offeror's firm or any of its branches.
13. LOBBYING: OFFERORS ARE HEREBY ADVISED THAT THEY ARE NOT TO LOBBY WITH ANY SBAC PERSONNEL OR BOARD MEMBERS REGARDING THIS RFP. ALL ORAL OR WRITTEN INQUIRIES MUST BE DIRECTED TO AND PROCESSED BY THE PURCHASING DEPARTMENT.
- LOBBYING IS DEFINED AS ANY ACTION TAKEN BY OR ON BEHALF OF ANY OFFEROR INTENDED TO DIRECTLY OR INDIRECTLY INFLUENCE THE GOVERNMENTAL DECISION OF A BOARD MEMBER OR SBAC PERSONNEL AFTER RFP ADVERTISEMENT AND PRIOR TO THE BOARD'S VOTE ON THE AWARD OF THIS CONTRACT.
- ANY OFFEROR WHO IS ADVERSELY AFFECTED BY THE RECOMMENDED AWARD MAY FILE A PROTEST WITHIN THE TIME PRESCRIBED IN SECTION 120.57(3), FLORIDA STATUTES.
- VIOLATION OF THIS PARAGRAPH WILL RESULT IN DISQUALIFICATION OF THE OFFEROR.
14. INTERPRETATION OF DOCUMENTS AND ADDENDA: No interpretation of the meaning of the RFP, and no correction of any apparent ambiguity, inconsistency or error therein, will be made to any Offeror orally. To be enforceable, all requests for interpretation, correction, or clarification of the RFP shall be made by Offerors no later than 72 hours (weekends, holidays not included) prior to the RFP due date and time. All such requests must be in writing and received by SBAC Purchasing Department no later than 72 hours (weekends, holidays not included) prior to the RFP due date. Following review of such requests by the Purchasing Department, any necessary interpretations and supplemental instructions will be in the form of written Addenda to the RFP. Only the interpretation or correction so given by the Purchasing Agent or his authorized designee, in writing, shall be binding and Offerors are advised that no other source is authorized to give information concerning, or to explain or interpret the RFP. Offerors should address any questions regarding this RFP to SBAC Purchasing Department, at A/C 352-955-7582.
- It is the responsibility of the Offeror to frequently check the SBAC Purchasing website at www.sbac.edu/~purchase/bidop.htm to ascertain if any addenda have been posted, to obtain all such addenda, and to return or acknowledge all addenda as required by the RFP documents.
15. LINE ITEM PROPOSAL CORRECTIONS: The use of correction fluid or erasures to correct line item Proposal or prices and/or quantities is not acceptable. Corrections must be made by striking through the incorrect information, writing the correct information next to the strikeout, and initially all changes. Correction fluid or erasure corrected Proposals will be considered non-responsive for the corrected items only.
16. OFFEROR'S ERRORS: Where unit price and total price cannot be reconciled, the quoted unit price shall govern. Where numerical price and written price cannot be reconciled, the written price shall govern.
17. PROPOSAL WITHDRAWAL, CORRECTION: Prior to the date and time of the public Proposal opening specified in the RFP, Offerors may withdraw or correct Proposals. No withdrawal or correction will be permitted after the RFP opening date and time.
- A request for Proposal withdrawal must be in writing, addressed to SBAC Purchasing Agent, and containing the legally binding signature of the Offeror desiring to withdraw the Proposal. A verbal request to withdraw a Proposal will not be accepted. A Proposal request must be received in sufficient time for the Purchasing Department to effect the withdrawal.
- A potential Offeror desiring to correct or amend its Proposal must do so by replacing the sealed Proposal package currently in the Purchasing Department's possession with a new Proposal package, which must meet the requirements of the RFP and be properly sealed and identified in order to be considered for award. An amended or corrected Proposal package must be accompanied by a letter requesting that it be substituted for the Proposal currently in the possession of the Purchasing Department, must be addressed to SBAC Purchasing Agent, and contain the legally binding signature of the Offeror desiring to correct or amend its Proposal. Such a request must be received in sufficient time for the substitution to be made.
18. ONE PRICE ONLY: Unless permitted by the RFP, Offerors shall submit only one quote for each product or service listed in the RFP. If multiple prices are proposed for any single product or service, the Proposal will be rejected for that item only.
19. ALTERNATE PROPOSAL: shall be clearly identified as such on the outside of the Proposal package by using the term "ALTERNATE PROPOSAL" (see page two for additional packaging instructions). If an Alternate Proposal is accepted, SBAC will cancel the current procurement and develop a new RFP using as the basis for its specifications the product and/or services contained in the Alternate Proposal. Sole source Alternate Proposals will typically not be considered by SBAC.
20. BUDGETARY LIMITATIONS: SBAC reserves the right to reject any item or items and/or increase or decrease quantities as required due to budgetary limitations.
21. QUANTITY ESTIMATES: Quantities shown are estimated amounts only and are presented to assist Offerors in the development of their Proposals. Actual quantities of purchase may be more or less than the amounts shown. Unless specifically addressed and authorized elsewhere in the RFP, minimum cost or quantity order requirements are not allowed. The successful Offeror, not SBAC, shall pay all required sales and use taxes pertaining to Beverage sales under this contract.

Failure to provide any of these reports may be cause for cancellation of the contract. SBAC, at its discretion, may elect to subcontract with an independent firm to audit sales receipts on behalf of our district.

Annual Exclusivity Consideration: In consideration of the exclusivity rights defined above, Offerors may propose an annual payment to be made to SBAC for each and every year the contract is in effect. The first payment will be made 30 days after contract award and, for each year thereafter that the contract remains in effect, payment will be made on the anniversary date of contract award. In the event SBAC terminates the contract for its convenience, SBAC will return a pro-rated portion of that year's payment to the successful Offeror. In the event SBAC terminates the contract for default, the annual payment or any portion thereof, or any previous annual payments, will not be returned to the successful Offeror.

Other Consideration: Offerors may propose other forms of consideration that they wish to offer to SBAC.
