INTRODUCTION

This Code of Student Conduct explains the rights, expectations, and responsibilities of students, parents, and the School District regarding student behavior. The Code is based on the Board's policies governing students. The Code and the complete policies are available online at www.sbac.edu.

This Code applies to every secondary and adult education student who is under the authority of the Alachua County Public Schools.  See **Policy 5500**, *Student Conduct*

The Code is in effect on school property, at school-sponsored events, and on school buses. You may also be subject to discipline if your misconduct is directed at a Board official or employee or the property of such official or employee.

The School Board of Alachua County is a Positive Behavioral Intervention and Supports (PBIS) school district. All students are expected to act kindly, respectfully, responsibly, and safely.

It is the policy of the School Board that misbehavior of any kind will not be tolerated. In order for instruction to occur in a safe environment, there must be a cooperative relationship between students, parents/guardians, and the school system.

Parents/guardians and students are asked to please read and discuss the Student Code of Conduct together. An electronic copy of The Student Code of Conduct can be found on the District website at <https://www.sbac.edu/Page/3665> or you may request a paper copy from your school. After reviewing the contents of the Code of Student Conduct, please sign the "**NOTICE REGARDING STUDENT CODE OF CONDUCT FOR SCHOOL YEAR 2024-2025**" in "**Appendix C**" and return it to your child's school. Your signature does not mean that you agree or disagree with the contents, just that you have received a copy of the code and are aware of its contents. Thank you in advance for your attention to this most important document and for returning the signed receipt.

◆TARDY

It is important to be at school on time. If you arrive late, you will miss class time and may disrupt the learning of others. You are **tardy** if you come to school after the beginning of the school day or if you are not in your classroom when the tardy bell rings.

- If you are tardy to school, you or your parent must sign in at the front office or the attendance office.

The principal will decide whether or not to excuse your tardiness to school. The principal will not accept the following reasons for being tardy: heavy traffic; oversleeping; returning home for forgotten items; and non-educational appointments other than doctor/dentist.

Six (6) unexcused tardies to school or unexcused early releases from school will result in one absence for purposes of determining truancy.

◆EXCUSED ABSENCES

You must be in school unless you have an excused absence for one of the reasons listed below. It is the responsibility of your parent/guardian to explain your absence from school in a way acceptable to the principal. The reasons for excused absences include:

Absences for sixth through eighth graders due to other individual circumstances may be excused by the principal. All other absences are considered unexcused. High school students who have more than six (6) unexcused absences in a semester will be required to demonstrate mastery of student performance standards in order to receive credit. Please check with your high school for specific information.

◆TRUANCY

The Superintendent may file a truancy petition or child-in-need-of-services petition for students who have five (5) or more unexcused absences (including accumulated unexcused tardies/early releases) in a calendar month or fifteen (15) or more unexcused absences in a period of ninety (90) calendar days.
[F.S. 1003.27]

You are required to attend school from age 6 through age 16. You may withdraw from school at age 16 only if your parent gives written permission to the school.
[F.S. 1003.21]

A minor is not eligible for a learner's permit or driver's license unless enrolled in a public school, nonpublic school, or home education program and satisfies relevant attendance requirements. [F.S. 322.091]

Note: Your school zoning exception may also be revoked if you accrue ten (10) or more unexcused absences within a semester, or fifteen (15) or more late arrivals, early dismissals or a combination thereof within a semester.

Policy: **5520**, *Disorder and Demonstration*

Citizens are guaranteed self-expression under the First and Fourteenth Amendments of the United States Constitution and Article One; Section Four of the Florida Constitution. One of the basic purposes of education is to prepare you for responsible self-expression and the free exchange of ideas.

Your off campus speech or other conduct which occurs outside of school time that violates the District's Code of Student Conduct may also be the basis for discipline, up to expulsion, if it has the potential to disrupt the process of education; impact the safe and efficient operation of the school or school-sponsored activities; or interferes with the rights, safety, or welfare of others.

PRIVACY

Federal and state laws provide persons with reasonable expectation of privacy in addition to freedom from unreasonable search and seizure of person and property. Such guarantees are not unlimited and must be balanced by the school’s need to protect the health, safety, and welfare of all.

Policy: **5600.01**, *Zero Tolerance for School-Related Crimes*

- A. Bomb/Destructive Devices: If you are found to have made a threat or false report of a bomb or destructive device as defined by F.S. 790.162 and F.S. 790.163 involving school or school personnel's property, school transportation, or a school-sponsored activity, you will be expelled, with or without continuing educational services, from the regular school for not less than one year, will be referred for mental health services, and referred for criminal prosecution. [F.S. 1006.07]

If you are found to have made a threat of violence, you may be disciplined up to and including suspension, alternative placement, expulsion, arrest, and prosecution. [F.S. 836.10]

If you have received a threat or have knowledge of a threat, you must report it immediately to a teacher or school administrator. You may also report using FortifyFL at <https://getfortifyfl.com/>. If you see something, say something.

Any student who is determined to have made a threat or false report, whether oral, written, electronic or symbolic, will be reported to law enforcement and a school-based threat assessment will be conducted. The threat assessment team will be composed of, at minimum, an administrator, counselor and School Resource Officer (SRO). The threat assessment may include student/staff statements, a review of records, student history, mental health history, and the creation of interventions and/or a safety plan. This plan may include a referral to mental health services. Threat assessment determinations shall be reported to the superintendent or designee.

All threats of violence (oral, written, electronic or symbolic) will be reported to law enforcement and investigated by school officials.

SCHOOL TRANSPORTATION

Your parent/guardian is responsible for your safety, supervision, and conduct to and from school, to and from the bus stop, and while you are waiting at the bus stop. [FAC 6A-3.0121]

Policies: **5610.04**, *Suspension of Bus Riding/Transportation Privileges*
8600.02, *Seat Belts*
8620, *Parent Responsibility*

It is a privilege to ride a school bus. You may only ride on your assigned bus to and from school. You may not get off at a different stop or ride a different bus unless your parent has given written permission, with principal approval, and room is available on the bus. If your place of residence changes, please notify the school so that a new stop can be arranged.

Do not carry onto the bus large boxes, cages, glass bottles, animals, reptiles, offensive materials, skateboards, tobacco items or other prohibited items. Band instruments too large to fit in your lap or under the seat are not permitted. You must pay for any damage you do to a school bus or to school board property within ten (10) days after billing.

Before the Bus Arrives, you must:

1. Be at the bus stop eight (8) minutes before your scheduled pick-up time and follow all school rules. For safety reasons, your bus driver is not permitted to wait at the bus stop for you if you are late.
2. Not cross the road before the bus arrives at the stop **or** after the bus departs from the stop.
3. Not cross a road wider than two (2) lanes to reach your stop. If you need to cross a two (2) lane road to reach the bus stop, wait on your side of the road until the bus arrives. After the driver signals that it is clear to cross, walk across the road ten (10) feet in front of the bus.
4. Stand off the roadway while waiting for the bus.

While on the Bus, you are required to:

5. Obey the driver and observe classroom conduct at all times.
6. Sit in your assigned seat.
7. Wear a seat belt at all times and remain seated when the bus is in motion.
8. Keep your arms, legs, head and objects inside the windows.
9. Remain quiet. Unnecessary conversation with the driver is dangerous. Students using WCDs with audio must use headphones.
10. Not eat, drink or have/use tobacco products/illegal substances or other prohibited items.
11. Not wear head coverings on the bus. The Principal may waive this requirement on a case-by-case basis for reasons such as, but not limited to, medical necessity or sincerely held religious belief.

Cameras are used to record behavior on school buses. If you violate these rules, you may have your bus riding privileges suspended and/or you may be suspended from school and you may also be subject to criminal penalties.

Consequences for Violations of Bus Rules

Bus Drivers have the authority of a classroom teacher. Drivers will initially discuss minor violations with the student and attempt to resolve the problems without written referral. If this is not successful, a written referral will be completed and forwarded to school administration for action as outlined below:

First Referral – Students will receive a written referral. This referral will be designated a school related consequence such as parent calls or in-school detention. A bus suspension may be imposed based on the severity of the infraction.

Second Referral – A parent conference will be held to discuss bus behavior and the student may be suspended from riding the bus for 1 day by the principal or designee.

Third Referral – The student will be suspended from riding the bus for up to 3 days.

Fourth Referral – The student will be suspended from riding the bus for 7 days. Student, parents/guardians, principal, district transportation representative, and bus driver may attend a conference to discuss the student’s behavior prior to the end of the 7-day suspension.

Fifth Referral – Student will be recommended for suspension of bus riding privileges for the remainder of the school year.

SECTION THREE

DISCIPLINE FOR MISCONDUCT

The principal/designee is responsible for school discipline and has a reasonable degree of discretion in determining the severity of misconduct and the appropriate consequence. Administrators and teachers may develop specific rules and disciplinary practices which supplement this Code, but do not conflict with it. If a principal/designee needs to deviate from the range of consequences shown, he/she will write the rationale and place it in the record. The principal/designee is authorized to take disciplinary action in response to all misbehavior.

Off campus speech or other conduct occurring outside of school time that violates the District's Code of Student Conduct may also be the basis for discipline, up to expulsion, if it has the potential to disrupt the process of education; impact the safe and efficient operation of the school; or interferes with the rights, safety, or welfare of others.

For any misbehavior, the teacher or principal/designee will listen to your explanation and, when needed, talk to other persons involved and investigate further. The teacher or principal/designee may contact your parents.

Whenever appropriate, restorative practices/discipline may be employed focusing on responsibility, accountability, with the goal of restoration for all impacted by your offense.

If a student engages in violent or disruptive behavior, the student may be referred for mental health services in addition to or in lieu of any other sanctions that may be imposed. [F.S. 1006.07]

A number of factors will be considered in determining the level of misbehavior and the resulting consequences. These factors include, but are not limited to:

- Seriousness of offense
- Planning, impulse, or self-defense
- Age
- Disability, if any
- Strength of evidence
- Attitude - Cooperation/remorse
- Disciplinary history, if any

Behaviors and their consequences are divided into four levels. Each level represents progressively more serious misbehavior and consequence.

In addition to those consequences listed in Level IV and Level III below, if a student commits a petty act of misconduct pursuant to Policy 5600.01 – *Zero Tolerance for School-Related Crimes*, the student may be assigned to a school-based intervention program unless the student is charged by law enforcement with a criminal offense or referred to a civil citation program or similar pre-arrest diversion program. [F.S. 1006.07(2)(o)]

See **Policy 5600**, *Student Discipline*

LEVEL IV DISCIPLINE

A Level IV offense is a repeated minor act of misconduct which interferes with orderly classroom or school functions, or with learning. These offenses have been handled by the teacher or another professional staff member prior to the referral, as outlined in the school's Discipline Plan for minor infractions, and an opportunity for reteaching the expected behavior has been given. These incidents will be documented as minor offenses.

The additional actions may be taken in response to Level IV misconduct:

These incidents are reported to the principal/designee and will be documented as major offenses. Some Level II acts may also require schools report to a law enforcement agency, and to the state SESIR reporting system. Incidents documented in the SESIR reporting system will be included on the student's permanent transcripts.

Your parent will be notified and the additional actions may also be taken in response to

Level II misconduct:

- Administrator/Student/Parent Conference
- Behavior contract

LEVEL I DISCIPLINE

A Level I offense is the most serious breach of conduct; it must be reported immediately to the principal/designee. Such breach of conduct includes, but is not limited to: violence against persons or property, and any other act which substantially disrupts the orderly conduct of the school or poses a threat to the safety or security of students, staff, and/or community. If you commit a Level I offense, you will be suspended from the regular education program and the principal/designee may recommend alternative placement or expulsion. A Level I act may also require a report to a law enforcement agency, which may result in criminal penalties, as well as documentation in the state SESIR reporting system. Incidents documented in the SESIR reporting system will be included on the student's permanent transcripts.

Your parent will be notified and the additional actions may be taken in response to Level I misconduct:

- Administrator/Student/Parent Conference

The zoning exception may also be revoked by the principal if you accrue ten (10) or more unexcused absences within a semester, or fifteen (15) or more late arrivals, early dismissals, or a combination thereof within a semester.

STUDENTS WITH DISABILITIES (IEPs/504s)

All students are expected to follow the Code and Board Policies. The Board will comply with state and federal laws for the discipline of students who have disabilities.

Policy: **2465**, *Discipline of Students with Disabilities*

2. The IEP/504 team is compelled to document the consideration for a functional behavioral assessment and behavior intervention plan.
3. If the behavior is found to be directly related to the student's disability, the IEP/504 team must plan for a Functional Behavioral Assessment and the development of a Behavior Intervention Plan based upon the results of the assessment.
4. If a behavior plan is already in place, the IEP/504 team must review whether the plan was being followed and revise it as needed to address the behavior that led to this action.
5. If the team determines the behavior was directly related to the disability, OR an improperly implemented IEP/504 plan, the student is returned to the original setting unless the parents agree to a new placement as part of the Behavior Intervention Plan.
6. Special Circumstances

The following offenses can lead to a student being removed to an interim alternative educational setting for up to 45 school days even if the conduct is determined to be related to the student's disability: Weapons, Drugs, Serious Bodily Injury (as defined by paragraph (3) of subsection (h) of section 1365 of title 18, US Code).

[F.S. 1006.09(9)] In addition, metal detectors and trained dogs may be used to screen for prohibited weapons and substances.

The principal or designee may search your wireless communication device (WCD) if there is a reasonable suspicion that you have used the WCD to violate Board policy.

EXCLUSION FROM EXTRA-CURRICULAR ACTIVITIES

Extra-curricular activities are offered to enhance your overall educational experience. These activities are supplemental to the school curriculum and are privileges, not rights. This includes participation in and/or spectator attendance at any extra-curricular activity or event.

Policies: **2520**, *Selection and Adoption of Instructional Materials*
5610.05, *Exclusion from Extra-Curricular Activities*

You are expected to behave appropriately at all times while participating in or attending these activities. All school and Board rules and regulations are in effect during extra-curricular activities, whether held on or away from campus.

The principal may revoke participation in or spectator attendance for one (1) specific extra-curricular activity or for all extra-curricular activities, for a period not to exceed the remainder of the school year in which the offense took place.

If you are convicted of, or be found to have committed, a felony or a delinquent act which would have been a felony if committed by an adult, regardless of whether adjudication is withheld, you shall not be eligible to participate in interscholastic extra-curricular activities for a period of one (1) year from the time of such conviction or finding.

If you fail to pay charges assessed for replacement of lost or damaged materials or equipment loaned to you, then you may be suspended from participation in extra-curricular activities.

PERMANENT REMOVAL OF STUDENT FROM CLASS

You may be removed from class by a teacher for chronic misbehavior which interferes with the teacher's ability to effectively communicate with the class, or interferes with the ability of your classmates to learn. The circumstances and facts of your case shall be sent to the school's Placement Review Committee for their consideration. The Placement Review Committee has among its options to permanently remove you from a teacher's classroom. [F.S. 1003.32]

Policy: **5610.01**, *Removal of Students*

STANDARDS FOR USE OF REASONABLE FORCE

Corporal punishment is prohibited by the School Board of Alachua County. Administrators, teachers, and support staff may use and apply reasonable force and restraint for self-protection or for the protection of other students if you are physically disruptive.

Policy: **5630**, *Corporal Punishment and Use of Reasonable Force and Restraint*

IN-SCHOOL DISCIPLINE/ AFTER-SCHOOL DETENTION

In-school discipline will only be offered at the discretion of the principal for offenses found in **Section Two**: Rules and Notices.

You may be temporarily reassigned to the supervision of another school employee during the regular school day, restricted during the school day (i.e., lunch detention or time-outs), or detained after school is dismissed or on a Saturday. If you are detained after the close of the regular school day, your parent/guardian will be contacted and informed that you will be detained. If your parent/guardian cannot be contacted, you will be detained on another day. Your parent/guardian is responsible for transportation beyond a regular school day.

Policy: **5610.02**, *In-School Detention/After-School Detention*

OUT-OF-SCHOOL SUSPENSION

The principal or administrative designee has the right to suspend you from school for a serious act of misconduct (Level I or II offense under the Code). The procedure below shall be followed for suspension from school:

Policies: **5610**, *Out-of-School Suspension and Expulsion of Students*
5611, *Due Process Rights*

1. **Notice Prior to Suspension.** You will receive oral and written notice of the incident and an explanation of the evidence against you. In a conference, you will have an opportunity to respond to the incident and to explain your behavior.
2. **Suspension.** If the principal or designee determines that there are sufficient grounds for suspension, then you will be informed that you are being suspended from school for a period not to exceed seven (7) school days, unless otherwise required by law, Board Policy, or accompanied with a recommendation for reassignment or expulsion. Except in emergencies, your suspension will begin at the end of the school day, unless your parent/guardian picks you up earlier.
3. **Parent Contact.** The principal or designee will make a good faith effort to immediately contact your parent/guardian by telephone and will also send a written notice to your parent or guardian. The notice will state the length of the suspension and the reasons for it.
4. **Homework.** If suspended, you will be released to your parent/guardian with specific assignments for the first day of suspension. For subsequent days of your suspension, you or your parent/guardian may obtain the assignments from Parent Portal. If you have no internet access at home, your parent/guardian will be allowed to access a computer at school to obtain the assignments from Parent Portal. You will receive credit for the assignments completed and turned in upon your return to school.

5. **Appeal.** You or your parent may appeal a suspension decision through the Student Grievance procedure. See **Section Five** of this Code.
6. **Temporary Suspension.** In an emergency the principal may temporarily suspend you prior to a conference when the safety or health of students, staff or other persons in the school may be threatened by your continued presence. When temporary suspension is necessary, the principal will inform your parent/guardian by the most rapid means. As soon as feasible under the circumstances, but no longer than the third day of suspension, the principal will hold an informal conference with you and your parent.

If you are a student with a disability, the principal will follow the discipline procedures for students with disabilities.

If you are suspended from school, you may not be on any school property during your suspension, except with the principal's permission.

SUSPENSION FROM BUS-RIDING PRIVILEGES

The principal/designee has the right to suspend a student from bus-riding privileges for a period of time up to 10 (ten) days. On recommendation of the Superintendent, the Board may suspend your bus riding privileges for a longer period of time. Long-term suspension of bus privileges will be for persistent misconduct which disrupts order on the bus and endangers the health, safety or welfare of other students riding the bus, or upon a single incident of conduct which shows reckless or willful disregard of the safety of the driver or others.

Policy: **5610.04**, *Suspension of Bus Riding/Transportation Privileges*

1. **Principal Recommendation.** If you have received five (5) or more bus misconduct referrals within a school year or one (1) referral which shows reckless or willful disregard of the safety of the driver or others, the principal may forward a report to the Superintendent with a recommendation for long-term bus suspension. Your parent/guardian will receive written notice of the principal's recommendation.
2. **Notice of Board Meeting Date/Request for Hearing.** If you are recommended for long-term suspension of bus privileges, the Superintendent will notify your parent/guardian of the time and place when the Board will consider the matter. Policy: **5610.06**, *Disciplinary Placement*

- You have a history of disruptive behavior in school: you have been referred to the office for major (Level I or II) disciplinary reasons for which you have received at least two out-of-school suspensions. Your discipline record for the most recent three (3) semesters will be considered for purposes of eligibility. Your record in other school districts may be considered.
- You have committed an offense which would warrant expulsion from school according to the Code of Student Conduct.
- You are returning from detention or a court-adjudicated commitment program and you have been evaluated by District personnel; you will not be automatically assigned to the Horizon Program.

The following procedure shall be used:

1. **Recommendation.** The Principal makes a recommendation for reassignment to the Horizon Program based on your disciplinary history. Your parent will receive a written notice and the reasons for the recommendation.
2. **Review of Records/Notice of Reassignment.** District personnel will review all of your pertinent records. You will have an opportunity to meet with District personnel to answer the charges. If you are determined to be eligible for the program, you will be reassigned, effective on a specified date, and your parent/guardian will be notified in writing of the reassignment.
3. **Request for Hearing.** Your parent/guardian may request a hearing, within ten (10) calendar days from receipt of the notice of reassignment, before the Board-designated hearing agent. You may be assigned to, and required to attend, the Horizon Program before a hearing.

5. **Return to Zoned School.** When you have demonstrated acceptable behavior, attendance, and academic progress while attending the Horizon Program, the principal of the school where the Program is located will notify the receiving school of such. As a condition of returning to the receiving school, you may be required to enter into a performance contract with such terms as established by the principal and the receiving school.

If you are a student with a disability, the principal will follow the discipline procedures for students with disabilities.

STUDENT TRANSFER - FELONY CHARGES

[F.S. 1006.09]

The following procedures will be followed:

1. **Notice of Hearing.** Upon receiving proper notice from the State Attorney's office, the principal will notify your parent/guardian, in writing, of the specific charges against you. The notice will also include the date of a hearing before the principal, to be held no more than five (5) school days from the date of postmark or delivery.
2. **Decision of Principal.** No more than five (5) school days following the hearing, the principal shall provide you and your parent/guardian with a decision, in writing, as to whether or not the transfer for felony charges will be made.

The following procedure shall be used:

1. **Notice.** You will receive oral and written notice of the incident and an explanation of the evidence against you. The notice will state that you have been suspended for ten (10) school days, that a recommendation for expulsion has been forwarded to the Superintendent and the reasons for the action taken.
4. **Conference Opportunity.** Upon request, your parent or guardian will be given an opportunity to attend a conference with the principal to discuss the reasons for suspension and the recommendation for expulsion. This opportunity will be provided within 48 hours of the request (excluding Saturday, Sunday and school holidays).
5. **Investigation.** Upon receipt of the recommendation, the

Superintendent/designee will investigate the incident. Alternatives to expulsion shall be considered.

6. **Notice of Charges/Request for Hearing.** If the Superintendent finds a sufficient basis for an expulsion recommendation to the Board, regardless of whether you have withdrawn from school, a notice of charges will be sent to your parent or guardian. Your parent/guardian may, within ten (10) calendar days from receipt of the Superintendent's notice, request a hearing on the charges before the Board-designated hearing officer. Failure to timely request a hearing or failure to appear at a hearing after receipt of the notice of the date of your hearing shall be deemed a waiver of any hearing on the matter. SECTION FIVE

GRIEVANCE PROCEDURES FOR STUDENTS AND PARENTS/GUARDIANS

Student Right

- You have a right to file a complaint if you feel that you have been treated in an unfair way.

Student Responsibility

- You have a responsibility to learn about and follow the procedures for filing a complaint.

A grievance procedure is used when a student believes there has been a violation of the procedures in the Code of Student Conduct. Unless otherwise provided, a student grievance may be pursued in order through three levels.

See **Policy 5710**, *Student Grievances*

LEVEL 1 - INFORMAL DISCUSSION

You or your parent/guardian should discuss your complaint with the person responsible for what you or your parent/guardian believes to be unfair treatment under the Code of Student Conduct. A meeting and discussion should occur within five (5) school days after the time of the alleged unfair treatment. No grievance will be processed until after such informal discussions have taken place. If your grievance involves discrimination or harassment, you or your parent may report, orally or in writing, 1) to a teacher or administrator at your school or at the harasser's school; 2) to the Superintendent; or 3) to a Compliance Officer listed at the front of this Code.

LEVEL 2 - SCHOOL PRINCIPAL

If the grievance has not been resolved at Level 1, the informal level, you and/or your parent/guardian may submit a completed Student Grievance Form to the principal within five (5) school days after the Level 1 discussion. The grievance shall: a) name the person(s) affected; b) state the facts giving rise to the grievance; c) identify the specific action being grieved; and d) indicate the specific relief requested.

The principal will have five (5) school days after the receipt of the grievance in which to hold a conference and provide a written response.

LEVEL 3 - SUPERINTENDENT

If the grievance has not been resolved at Level 2, you and/or your parent/guardian may, within five (5) school days after receipt of the principal's decision, submit the Student Grievance Form to the Superintendent's designee*.

- A. Within five (5) days from receipt of the written grievance form, the Superintendent's designee will communicate with you and your parent. An investigation will be conducted. The investigation should be completed within fifteen (15) school days from receipt of your written grievance form.

The Superintendent's designee will attempt to resolve the grievance through mutual agreement.

- B. If the grievance has not been resolved, the Superintendent's designee (not the person who conducted the investigation) will hold a conference with you and your parent within twenty (20) days from receipt of grievance form. You will have an opportunity to present evidence relevant to the facts and issues raised by the grievance and you may be represented by counsel at the grievance conference. The Superintendent's designee will make a decision in writing within five (5) days.
- C. The decision of the Superintendent's designee will be communicated with you and your parent.

The decision of the Superintendent's designee shall be final.

*The Superintendent's designee for coordinating all student grievances under this Code is the Executive Director, Exceptional Student Education (ESE) and Student Services. You may reach the department at 3600 NE 15th Street, Gainesville, FL 32609, from 8 a.m. to 5 p.m. on school days. Call (352) 955-7671 to schedule an appointment.
