

## Message from the Principal

Welcome back Raiders. We've had an excellent start to the school year. In acknowledgement of our "new" reality, please make sure to wear your facemasks. The key to a successful high school experience is to get involved academically, athletically and socially. Parents encourage your son or daughter to get involved inside and outside of the classroom. I am impressed with our students and look forward to a great year. Please feel free to call or email me if you have any questions or concerns about your student or just stop by to introduce yourself. I am thrilled to be at Santa Fe High School and look forward to the coming year.
