This packet will also be available on the Cheerleading page on our school website. All students interested in trying out must return the tryout packet and a current physical to Ms. Baker.

Attention Raiders. Flumist will be offered at Santa Fe on November 7th. If you have not turned in a Flu Mist form, you still have time. Also, classes with consent form return rates between 97 and 100 percent will earn a donut party in January. Only the form is counted, not the number receiving the vaccine so return the form YES or NO. If you no longer have a consent form, no worries. We have a few left in the clinic or you can print one off of the school website. So, get those forms back to your homeroom teacher and help your class earn a party and prevent Flu!
