Some very important changes to ticket purchases for home sporting events this year. Because of Covid-19 restrictions from the District, there will be limits to the number of fans that are able to attend each game. Ticket prices will be increasing for all sports, at all schools in the District. Football tickets will now be \$10 and all other sports will be \$7 per ticket. The only way to purchase tickets is through our new online ticket vendor, GoFan.co. You will need a smartphone for mobile entry at games. Tickets are limited! To purchase online, go to the SF website and go to the "Sports" tab to buy tickets."

If you have any textbooks from last year, please return them to the media center ASAP.

There is a 10 minute dead time for the first and last 10 minutes of each class, students are not allowed out of class during these times.
