

Dear Santa Fe Parents and Students:

The following information is the latest update from the Florida Department of Education as well as from the Alachua County Public Schools. All state assessments for the remainder of the school year 19-20 have been cancelled. **Seniors**: assessment requirements ( Algebra 1, FSA ELA) have been waived for all 19-20 Seniors. They still need their credits and a minimum 2.0 GPA.

On Tuesday March 31, we will have paper copies of all assignments in the event that your student does not have internet capability. We will also be making a phone home announcement to update all students and parents regarding procedures for the following days ahead.
