

Fresh Fruit & Vegetable Program

Attention Parents!

Our district is pleased to announce that we will be participating in the Fresh Fruit & Vegetable Program (FFVP) for the 2022-23 school year.

The program is provided by our schools Food & Nutrition Services Department and funded through the USDA Department of Agriculture Farm Bill.

All students will receive a fruit or vegetable snack daily in their classroom.

Students will also learn "Fun Facts" about each item offered.

The goals of the Fresh Fruit and Vegetable Program (FFVP) are to:

- **Create healthier school environments by providing healthier food choices.**
- **Expand the variety of fruits and vegetables children experience.**
- **Increase children's fruit and vegetable consumption.**
- **Make a difference in children's diets to impact their present and future health.**

Some examples include: Star Fruit, Dragon Fruit, Papaya, Portabello Mushrooms...just to name a few.

Menus can be viewed online at www.yourchoicefresh.com with the School Meals menu, and labeled FFVP Menu.
