## Design & Construction Sched

- Online forum for community feedback

## Site Concerns and Opportunities

- Have parent parking be close to the office so parents can have easy access to office
- Are we collaborating with the county to make community improvements that complement the work being done at the schools?
- How will the public have access to the media (office) when the school is locked down?

## General Comments, Concerns and Observations

## Design Features and Opportunities

- Online forum for community feedback
- Playground area? Play field?
- The road Idylwild is on doesn't have a sign for people to see where the school is
- Will safety & security improvements meet/exceed the states hardening requirements?
- Play area with dirt? The children love playing in the dirt at Idylwild
- Where will the school garden area be?
- Option 3: Admin is too far from the arrival area – safety concern

- If the scenic road is paved, add sidewalk as it's a common road for runners
- Pave East dirt road by Squirrel Ridge Park
- Traffic light at Williston Rd & 21<sup>st</sup> St
