Intent to Test

Parent/Legal Guardians,

Congratulations! Your student is currently enrolled in at least one Advanced Placement (AP), Cambridge (AICE), or International Baccalaureate (IB) course in high school. These college level courses allow your student the opportunity to take an exam at the end of the school year. Successfully passing the AP/IB/AICE exam will earn your student college credit while still enrolled in high school.

The district pays the full cost of the test for any ACPS student enrolled in an AP, AICE, or IB courses (cost is approximately \$100.00 for each exam).

Please complete the following and return the form to your student's AP/AICE/IB teacher on or before October 14.

- YES!** I will ensure my student attends any or all AP/AICE/IB testing sessions for the course(s) in which they are enrolled. I also understand that if my student fails to attend the testing session, I will be charged the fee for the unused exam.
- NO!** I do not want my student to take the AP/AICE/IB exams for the course(s) they are enrolled. If I wish to have my student take the exam after the deadline for ordering exams has passed, I will be responsible for the cost of the late ordering fee.
