

Library Newsletter

December 2024

What We Learned

This month, 3rd, 4th, and 5th grades will be exploring the fiction and nonfiction sections of the library.

Students are being encouraged to try reading books for a genre or section they haven't read books from before.

All grades are reading winter stories as we prepare for our break. Winter and holiday books are displayed around the library for students to check out as well.

Reminders

Remember to return your books when you are done with them, other people want to read them too!

Upcoming Events

- December 3 - Family Math Night
- December 23 - January 3 - Winter break

Library Resources

Don't forget, you have access to Destiny and TumbleBooks through myPortal!
