This month in the library

LESSON FOCUS

This month we are reading books for Hispanic Heritage Month! I am reading chapter books aloud with grades 3, 4, and 5. Kindergarten, 1st, and 2nd grades have been enjoying picture books and biographical stories.

GENRE SPOTLIGHT

This month we are continuing to talk about different fiction genres with a focus on students finding a genre they enjoy reading.

NONFICTION SPOTLIGHT

The sports and cookbook sections of our nonfiction shelves have been getting a lot of wonderful attention from our students this month.

READING AT HOME

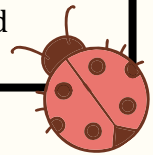

Finding time to read at home is a great way to help your student grow their skills and share their learning with you!

NOTE FROM MS. DUKE

Hello Idylwild Families! I am having a wonderful time getting to know your students. It is my joy and privilege to see them looking for and checking out so many different books! I am also keeping a list of books students request to add to our collection.

Reminders

- Take care of your library books at home.
- Water is super important for your health, but it can be a disaster for books. Be sure to keep your books dry!

Upcoming

- September 15 to October 15 - Hispanic Heritage Month
