

TITLE I COMPLAINT PROCEDURE

A "Title I Complaint" is an allegation that the administration has violated a federal or state regulation or guideline pertaining to the Title I program. Administrative procedures for handling complaints are designed to resolve the complaint at the lowest level possible.

Procedure All Title I complaints will be processed as follows:

- A. Title I Complaints should first be addressed to the local school principal. A parent who has a complaint may have a conference with the principal and appropriate school personnel. The principal is expected to make a good faith effort to resolve any differences. Within fifteen (15) calendar days after becoming aware of the complaint, the principal will notify the Director of Title I of the issues under dispute and the action(s) that the school has taken.
- B. If the complaint has not been resolved, the parent may meet with the district's Director of Title I or the designated representative to discuss his or her concerns. The Director will explain to the parent any federal regulation or state guidelines that apply.
- C. Within fifteen (15) calendar days after the conference, the Director will send a written report to the parent that sets forth any agreement or decision reached during the conference. The report will be sent to appropriate persons.
- D. The parent has the right to appeal to the state education agency (SEA) a decision of the local education agency (LEA) within thirty (30) calendar days from the receipt of the written report.

All survey comments of "unsatisfactory" from parents of participating children will be submitted with the district's LEA plan to the SEA.
