

Alachua County Public School students selected for All-State Ensembles

Each year, talented music students from all over the state of Florida audition for the Florida Music Education Association's (FMEA) All-State Bands, Choruses, and Orchestras. The rigorous audition process requires students to take musicianship tests, play scales, perform sight reading passages, and play or sing prepared audition pieces. Students selected for these prestigious ensembles then travel to Tampa for the FMEA conference in January where they rehearse and perform with other top performing students from around the state. This year, 31 Alachua County Public School elementary, middle, and high school students were selected to participate in an All-State ensemble. Those students are:
