

## Spotlight on Gratitude

For the next few weeks, Mustangs will be talking about and exhibiting *gratitude*. We will focus on being thankful for all the things we have, leaving no time to be distracted by what we don't have. Having an attitude of gratitude teaches us the importance of seeking the positives from every situation. The goal is to learn that we can use the positive things in our lives as a foundation on which to build. Choosing the positive will put you on the path to success. At home, **DO** practice gratitude every day, even if it's only telling your child(ren) how grateful you are to have them in your life. **DO** say "thank you" regularly. **DO** treasure yourself and take care of yourself to set an example for your child(ren).

Our boxtops contest starts now and ends on Friday, 10/25. The class bringing in the largest total number of boxtops will win a popsicle party and each student will take home and keep an emoji pillow! Boxtops bring in 10 cents a piece for our school- this money is used for student incentives, class field trips, and more.

Happy Birthday!
