

So, what do you get by joining Hidden Oak's PTA?

You get something absolutely priceless: You officially connect to our school community!

With PTA membership, not only is your *child* enrolled at Hidden Oak, but *you* are too! Our PTA promotes and provides funding for many projects and programs that are not only wanted, but NEEDED including:

- purchase of student desks and chairs (replacing items that were nearly 20 years old);
- purchase of computer programs, such as IXL, for school use;
- purchase of new playground equipment, books, and audio-visual equipment; and
- implementation of programs to support school STEM initiatives (STEM night), reading initiatives (Book Challenge), and environmental learning initiatives (Butterfly Garden).

Our PTA also coordinates volunteer efforts at our school; produces and distributes our school calendar; plans and hosts our school carnival as well as teacher, staff, and volunteer appreciation events – all of which help strengthen our school community.

In addition, when you join Hidden Oak's PTA, you not only support our school, but you actually connect with other schools in our county via the Alachua County Council PTA (ACCPTA) and connect with other schools in our state via the Florida PTA. Why does this matter? What do county and state connections do for you? It turns you into **us**. And, gives **us** strength in numbers and a louder voice to make public education the best it can be for your kids and my kids – for OUR kids.

PTA membership is a powerful way to advocate for our children and all Florida children.

2018-2019 Hidden Oak PTA ___Parent/Guardian ___Grandparent ___Other

PTA Membership is \$10.00 (up to 2 adults can join under the same membership).
Please make checks payable to Hidden Oak Elementary PTA
