PTO Newsletter

January 2018

Spring Scholastic Bash to be held March 23

We are looking forward to having all students join us for a fun filled afternoon to celebrate their academic success this year! Tickets will be \$5 per student and will include a drink and a treat. Bounce houses, inflatable games and fun activities will be there for the fun!

We are always in need of volunteers. If you would like to volunteer for this event, please have your volunteer application on file and contact the front office to sign up!

The Joy of Giving

We would like to thank all of our families who donated canned food for our Thanksgiving baskets over the holidays. The PTO added \$175 in gift cards to provide a Thanksgiving turkey to each basket creating a wonderful meal for several Oak View families.

Teacher of the Year

We would like to congratulate Mrs. Merton, our Oak View Middle School Teacher of the Year!

We Want YOU!

If you are interested in becoming more involved at Oak View and would like to join the Parent

Teacher Organization (PTO), we would love to hear from you! We have several positions opening next year as our 8th Grade parent board members will be moving on to high school! Please contact Mary Drummond at mdrummond2000@yahoo.com.

Find Us on Facebook

We want YOU to stay informed. LIKE us at *Oak View Middle School PTO*, and we will keep you in the loop.

Volunteer Appreciation

Volunteer Appreciation Week is celebrated February 12-16. We thank all of our volunteers for their commitment to helping Oak View Middle be the best it can be! We could not do it without your time and your help! Thank you so much!

Meet Your PTO Board

We Love Student Birthdays!

For just \$10, you can show some love on your child's birthday by having his/her name placed on the new Oak View marquee in front of the school. Sign-up forms are available in the front office and on the PTO web page. If your child has a summer birthday, stay tuned—

we have a summer system for recognizing special days, too!

Science Fair Congratulations!

Congratulations to Sophia Shaw, the overall winner of the Oak View science fair. Sophia won a telescope donated by the PTO.

Ice Cream Reward Day February 2nd

Our amazing A/B Honor Roll students will be rewarded with ice cream, donated by your PTO, during their lunch period on Friday, February 2.

*** Your ACPS Administration is on a fact finding mission to listen to what you view as facilities needs for Oak View. Please take a moment to fill out the facilities survey located on the Oak View Home page. This form will be open until Friday, February 9th at 11:59 PM.***
