Welcome to the Oak View Middle School Parent/Teacher Organization (PTO). Becoming a member of the PTO will give you a chance to play an active role in your child's middle school experience and help make Oak View an enriching environment for all students. We all make a difference, no matter how big or small our roles may be (even if you assist with just one event, we will be grateful). There are plenty of opportunities for getting involved, and there is no obligation to attend monthly meetings. Our membership volunteers have been responsible for our success over the years, and we look forward to your involvement.

There are three ways to join:

- (1) Complete the attached membership form and return **with payment** to your child's first period teacher or to the front office
- (2) Complete the attached membership form and return **with payment** by mail to Oak View PTO (1203 SW 250th Street, Newberry FL 32669)

Suggested donation for membership is \$5 per person. Please make checks payable to Oak View Middle School PTO.

Thank you for your support,
 Your Oak View Middle School PTO
