NOTES:

This is a listing of the math courses that could be taken at each grade level; these courses are not necessarily in sequence since many possible sequences exist; consult with your math teacher for specific course sequence recommendations.

**Sequences after grade 9 vary by individual; consult with science teachers.

***At least two years of the same foreign language is a common four-year college admissions requirement and is required for Bright Futures. More than two years are encouraged. Foreign languages include: German, French, Italian, and Spanish. Advanced Placement is available in French, German, Italian, and Spanish.

VARIATIONS WILL OCCUR BASED ON EACH STUDENT'S ABILITY, MOTIVATION, AND COLLEGE & CAREER PLANS.

ELA/EOC SCORES WILL DETERMINE COURSE LEVEL OPTIONS AND PLACEMENT.

Always reference the state's graduation requirements, there are variations between graduating classes. In addition to the Florida standard high school diploma requirements students can work towards earning Scholar designation.
