MEMORANDUM

TO: Sandy Hollinger, Superintendent

FROM: Karen Clarke, Chief Negotiator, ESP *KClarke*

SUBJECT: Collective Bargaining Agreement for Education Support Professionals

DATE: April 4, 2017

Attached is a copy of the 2016-2019 contract for Education Support Professionals. The full contract was subject to negotiations this year. The majority of items remain unchanged from previous contracts. Modifications to the contract are shown in the attached document with deleted language struck through and new language underlined. The new contract is for a three-year period through June 30, 2019, with reopener provisions provided each year as in the past.

Because many issues have been dealt with through negotiations in the past, current contract language was accepted as appropriate for inclusion in the new contract. Technically, however, the entire negotiated agreement must be ratified with the understanding that any language not amended or specifically addressed as a change would continue in place. Thus, all appendices to the contract, while not included, would continue to be a part of the final document printed for distribution.

As is applicable to negotiated contracts, the ratification process requires acceptance or rejection of all tentative agreements as a whole. Specific sections or portions may not be accepted, rejected, or amended. In essence, any Board vote or employee vote for ratification must be to accept or to reject the tentative agreements as a whole.

RECOMMENDED ACTION: The Superintendent recommends that the Board ratify the negotiated agreement between the School Board and the Alachua County Education Association for Education Support Professionals, 2016-2019, as presented.

ARTICLE I. TERM OF THE AGREEMENT

Section 1.

This agreement will be effective as of July 1, ~~2013~~ 2016, and will remain in effect until June 30, ~~2016~~ 2019.

Section 2.

The parties agree that negotiations on a successor contract will begin on a date mutually agreeable to both parties at least sixty (60) calendar days prior to the termination date of this contract.

Both parties agree to reopen negotiations at least sixty (60) calendar days prior to June 30, ~~2014-2015~~ 2017-2018, on any mutually agreed upon items, on up to ten (10) sections proposed by the Association, on up to ten (10) sections proposed by the Board, Education Support salary schedule, supplement salary schedule, and fringe benefits.

Both parties agree to reopen negotiations on those sections of this contract which have expired or have become invalid during the life of this contract through legislative action, court decisions, or Florida State Board of Education administrative rules.

The parties agree to meet for problem solving on mutually agreed-upon items at a mutually agreed-upon date and time.

Section 3.

If any provision of this contract or any application of this contract is held to be contrary to law, the provision or application will be invalid, except to the extent permitted by law. All other provisions or applications will continue in effect for the term of the contract.

Section 4.

Ratification of amendments to this agreement will be accomplished by a majority vote of both the Career Service Bargaining (ESP) Unit and the School Board of Alachua County.

ARTICLE II. RECOGNITION

Definitions: The terms defined here will have reference only to the grievance procedures section of this contract.

The informal level and Level I may be waived if mutually agreed by the grievant and the Superintendent or his designee. A grievance of this

ARTICLE IV. GRIEVANCE PROCEDURE (Cont.)

nature will be processed using a separate form mutually agreeable to the Association and the Board but in no case will a grievant file a contractual grievance and a complaint grievance based upon the same event or occurrence. By mutual agreement, a complaint grievance may be treated in an informal manner.

- C. Grievant(s): This term will mean an employee(s) eligible for Association membership or the Association, if appropriate, who files a grievance.
- D. Employers: This term will refer to the School Board and its agents.
- E. Days: This term will refer to working days of grievant(s) exclusive of holidays and weekends. Should a grievant work less than a 252-day contract year initiate the grievance procedure with less than five days remaining in the contract year, calendar days will govern timelines.

Section 3.

Representation: All employees will have the right of Association representation at each step of the grievance procedure, if they desire and the Association agrees. If the Association agrees to represent the grievant, no grievant may be required to discuss any grievance if the Association representative is not present. Copies of the employer's decision given at any step beyond the informal level of the grievance procedure will be delivered to the Association.

A grievant will not be represented by any person who might be required to take action, or against whom action might be taken in order to adjust the grievance, or by a representative of any other employee organization.

Section 4.

No Discrimination: There will be no discrimination against any employee based upon the employee's initiating, processing, or participating in any way in the grievance procedure, including the written notice of an informal discussion.

Section 5.

Section 6.

ARTICLE IV. GRIEVANCE PROCEDURE (Cont.)

Section 7.

Informal Discussion:

(A) In the event an employee believes there is a basis for a grievance, the individual will first discuss the grievance with the worksite supervisor. No grievance will be processed until such informal discussion has been held. The employee will initiate the discussion by notifying the worksite supervisor in writing. The written notification shall provide the worksite supervisor with a minimum of the topic of the discussion and may also include more detailed information with the goal of quickly resolving the matter at the informal discussion level. This notification will occur within ten (10) days after the grievant knew, or should have known, of an occurrence leading to the possible grievance. The worksite supervisor will have ten (10) days after receipt of the notification to hold a conference with the grievant and to give a written decision. The time may be extended by written mutual agreement between the parties.

(B) In the event an employee believes there is a basis for a grievance based on a violation of Policies 2260, "Non-Discrimination and Access to Equal Educational Opportunity," 4122, "Non-discrimination and Equal Employment Opportunity," or 4362, "Anti-Harassment," the employee shall have 60 days, instead of ten (10) days, in which to initiate discussion with the worksite supervisor. Such grievances shall continue to be governed by the remaining provisions of Article IV of the Education Support Professionals Contract, not Policy 4470, Grievance Procedure.

Section 8.

Level I: After the informal discussion with the worksite supervisor or immediate supervisor of grievant, and if a grievance still exists, the grievant may invoke the formal grievance procedure within five (5) days of the informal discussion on a form mutually acceptable to the Board and the Association. This form will contain the name of the grievant, the act or occurrence leading to the grievance, the specific section(s) of the contract allegedly violated, and a recommended action to adjust the grievance. A copy of the grievance form will be delivered to the worksite supervisor, the designated representative, or the immediate supervisor, who will have five (5) days after receipt of the grievance in which to hold a conference with the grievant and to give a written decision. The conference may be mutually waived if the grievant and the worksite supervisor feel it would not be helpful in resolving the grievance.

Section 9.

Level II: If the grievance is not settled to the grievant's satisfaction, or if a written decision is not submitted within the designated time limit at Level I, the grievant may move the grievance to Level II by written notice to the Superintendent or his designated representative within ten (10) days after receipt of the response or the end of the designated time period. The Superintendent or his designee will have ten (10) days after receipt of the grievance in which to hold a conference. A written decision will be issued within ten (10) days of the Level II conference.

ARTICLE IV. GRIEVANCE PROCEDURE (Cont.)

Section 10.

Level III: If the grievance is not resolved at Level II to the grievant's satisfaction, or if a written decision is not submitted within the designated time limit of Level II, the grievant and/or the Association may move the grievance to binding arbitration in accordance with the American Arbitration Association (AAA) Rules by notifying the Superintendent in writing within twenty (20) days of receipt of the response or the expiration of the time specified at Level II.

Section 11.

Costs: The costs for the services of an arbitrator, including per diem charges, actual necessary travel, subsistence expenses and the cost of the hearing room, will be borne by the parties in equal amounts. If the Association finds the grievance without merit, the grievant may move the grievance to arbitration without Association approval. In such case, costs will be borne equally by the Board and the grievant.

Section 12.

Withdrawal of Grievance: Nothing in this contract will preclude the withdrawal of a grievance at any point in the process by the grievant and/or the Association.

Section 13.

Expedited Conference: If a grievance is filed which cannot be processed prior to the end of the fiscal term and which, if not resolved, could cause irreparable harm to the grievant, the Association or grievant may request an expedited conference. Such a request will be granted. An expedited conference will begin at Level II, will be given priority over other grievances, and will not be unreasonably delayed.

Section 14.

Confidentiality of Grievances: No record of grievances will be placed in the permanent personnel file of any grievant except as it may be necessary to establish that an adjustment of grievance has been made in favor of the employee. Grievances at all levels short of arbitration will be kept as confidential as possible.

Section 15.

Non-Association Grievances: Any employee will have the right to present grievances to the Board in accordance with the grievance procedure. Such grievances may be adjusted without the intervention of the Association, but no adjustment will be inconsistent with the terms of this contract. The Association will be given an opportunity to be present and make statements concerning the grievance or adjustment beginning at Level I, even if the grievant does not desire Association representation. The Board and its designee assume no responsibility for involving the Association.

ARTICLE IV. GRIEVANCE PROCEDURE (Cont.)

Section 16.

Selection and Powers of an Arbitrator for Binding Arbitration:
The parties will jointly attempt to select an arbitrator who is mutually acceptable. If the parties cannot agree upon an arbitrator within ten (10) days from notification that the grievance is being moved to Level III, the arbitrator will be selected through the services of the American Arbitration Association. The rules of the American Arbitration Association will apply to arbitration proceedings. An arbitrator will limit his decision to the terms of this agreement and will not have the power to add to, subtract from, modify, or alter such terms either directly or by implication. The arbitrator will confer with the representative(s) of the Board and the Association, will hold hearings promptly, and will speedily issue a decision after the date of the close of the hearings or final submissions. The arbitrator's decision will be in writing and will set forth findings of fact, reasons and conclusions on the issues submitted. The decision of the arbitrator will be submitted to the Board and the Association and will be final and binding upon the parties.

Section 17.

Association Grievance: The Association may file grievances at Level II if there is an alleged violation of the term of the agreement, recognition and/or unit inclusion, Association rights, a specific item requiring or granting Association involvement or representation, or improper administration of the grievance procedure.

ARTICLE V. IMPASSE

In the event that an impasse is reached during the course of negotiations, the parties agree to mediation as a means of attempting resolution of the item(s) in dispute. If agreement is not reached by the parties, the impasse will proceed under Public Employees Relations Commission (PERC) guidelines.

If the parties agree in writing to waive the appointment of a special master, the parties may proceed directly to resolution of the impasse by the legislative body.

Arrangements will be made to allow confidential phone calls in an appropriately private area(s) if the need arises. Personal long distance telephone calls will be made only with the approval of the worksite supervisor, and will not be charged to the worksite or the Board.

ARTICLE IX. EMPLOYEE RIGHTS (Cont.)

Section 7. Emergency Closing

Whenever circumstances necessitate the closing of a school or schools for emergency reasons and Florida Statute(s) or SBE rule dictate that the day(s) must be rescheduled, ESPs directly affected by the possible rescheduling will be polled by the Association and the results made known to the Administration prior to the day(s) being rescheduled by the Board.

Uniform procedures will be established to notify staff members about the closing of a school(s) or district worksite(s) for emergency reasons. These procedures will be shared with staff members.

Section 8. Breast Feeding

The district shall provide a reasonable time for an ESP to express breast milk for her nursing child each time such employee has the need to express milk; and a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an ESP to express breast milk. Nothing in this section shall preempt State law that provides greater protections to employees than the protections provide for under this subsection.

ARTICLE X. EMPLOYEE WORKING CONDITIONS

Section 1. Shifts

- A. The normal workday for Education Support Professionals will be no more than eight (8) hours per day but may vary during summer months.
- B. Employees who are assigned to be present at the worksite for at least four hours, of which three hours are continuous time, shall be scheduled as indicated below. "Continuous" time is time spent at the worksite not including unpaid breaks.

<u>Assigned to be present</u>	<u>Breaks</u>
4 hours.....	one 15-minute paid rest
More than 4 but less than 7 hours.....	one 15-minute paid rest
..normally no less than one	30-minute uninterrupted unpaid meal
Seven hours or more.....	two 15-minute paid rests
..normally no less than one	30-minute uninterrupted unpaid meal

This rest provision shall not be applicable to bus drivers nor bus attendants who work less than seven continuous hours. ESPs will not supervise students during these break/rest periods, except in an emergency situation. No paid rest shall be added to an ESP's uninterrupted unpaid meal. Upon written mutual agreement by the worksite supervisor and the employee, breaks and lunches may be scheduled at other than regularly scheduled times in order to better accommodate the supervision of the student(s).

- C. Employees shall be given ten (10) working days' notice, in writing, of any shift reassignments except as otherwise provided in this Agreement or by mutual agreement of both parties.

ARTICLE X. EMPLOYEE WORKING CONDITIONS (Cont.)

- D. When a shift becomes available, eligible employees will be notified so they may apply. Qualifications and seniority ~~in each classification at the worksite~~ shall be the sole factors in determining shift assignment. ~~For the purpose of determining seniority in this section only, seniority shall be determined by calculating the length of continuous service within the specific classification at the specific worksite where the vacancy occurs.~~

Section 2. Overtime

- A. No ESP shall be required to work beyond his normal work day without additional pay. When overtime is required, an ESP who is not an exempt employee within the meaning of the Fair Labor Standards Act who works such overtime shall be paid at a rate of one and one-half (1-1/2) times his regular hourly rate for each hour in excess of forty (40) hours per week. The overtime rate of one and one-half (1-1/2) times the regular hourly rate begins after an employee actually works forty (40) hours in one week.

Hours worked on a designated paid holiday shall be paid at one and one-half (1-1/2) times the regular hourly rate in addition to the employees regular pay. Except in emergencies, overtime work will be distributed among qualified employees in the same classification within the worksite on an equitable basis by rotating such work through the appropriate seniority list. This does not preclude the administration from selecting a specific employee to perform tasks which require that employee's special expertise. An employee may refuse overtime except in emergency situations or when the employee's specific expertise is required.

In worksites where more than one employee is eligible to earn overtime, the following rules shall apply:

1. A seniority list shall be updated and posted by October 1st and April 1st of each school year.
2. At the beginning of each work year, overtime shall be awarded by rotating seniority (i.e., from the most senior to the least senior on the list).

When refusal of overtime is authorized, or in cases of illness or leave, the overtime shall not be charged to the employee.

3. Any deviation from rotating seniority shall be limited to:
 - a. Employee eligible for the overtime does not possess the skills necessary or,
 - b. An emergency exists requiring immediate action.
 - c. Overtime requiring more than one regular shift shall be divided between two or more eligible employees.
 - d. Following the first cycle through the seniority list, awarding overtime reverts back to the original seniority list and continues to rotate through this list.

ARTICLE X. EMPLOYEE WORKING CONDITIONS (Cont.)

- B. When the administration requires an employee to return to work on other than his regularly assigned shift, the employee shall receive a minimum of two (2) hours' pay at one and one-half (1-1/2) times his regular hourly rate.
- C. When the administration requires an employee for security checks during district scheduled breaks, the employee will receive a minimum of one (1) hour's pay or time worked at his regular hourly rate of pay plus mileage.
- D. Upon mutual agreement of any ESP and his supervisor, compensatory time will be awarded in lieu of overtime pay. The time taken off will be mutually agreed to by the employee and supervisor. If no mutual agreement can be reached, the employee will be awarded overtime.

Section 3. Parent Conferences

- A. If a worksite supervisor determines that a parent-ESP conference is necessary, the conference shall be arranged by the worksite supervisor in accordance with the following guidelines; (1) consult with the ESP involved to establish the time, date, parties involved, and place of conference, (2) notify the ESP of the purpose of the conference if the conference was not initiated by the ESP, and (3) confirm conference time, date, parties involved, and place with the ESP.
- B. Prior to initiating a telephone or person-to-person parent conference, the ESP will notify the worksite supervisor. Nurses will use their professional judgment in notifying the worksite supervisor of such calls.
- C. Released time shall be granted to ESPs when needed for parent conferences provided that the conference is arranged by the worksite supervisor in accordance with the provisions of this section.

Section 4. Student Interaction

- A. ESPs shall not normally be required to transport students. At times, the health or safety of a student may require that an ESP provide transportation for a student. In that event, the Board shall reimburse the ESP for mileage. When approval for transportation of students in privately owned vehicles is granted, Sections 1006.22, F.S. and 1006.24 F.S. shall apply.
- B. If, in the opinion of an ESP, a student is disrupting regular activities, he may report the action to the teacher responsible for the student. In the event there is no teacher responsible for the student at the time the incident occurs or the ESP is unable to identify the teacher responsible, the ESP may submit a written report or a report online of the incident to the worksite supervisor using the form which is appropriate for this purpose. The worksite supervisor will take appropriate action. Upon request, the worksite supervisor will discuss with the ESP the action taken.
- C. Under ordinary circumstances, only properly trained ESPs will be asked to perform medical procedures or to dispense medication to any student. The Board will assume legal responsibilities when an ESP is asked to perform medical

ARTICLE X. EMPLOYEE WORKING CONDITIONS (Cont.)

procedures or dispense medication to any student unless the ESP acts in a willful, wanton, malicious, or grossly negligent manner.

1. Nonmedical school district personnel shall not perform invasive medical services which require special medical knowledge, nursing judgment and nursing assessment. The procedures include, but are not limited to:
 - a. Sterile catheterization.
 - b. Nasogastric tube feeding.
 - c. Cleaning and maintaining a tracheostomy and deep suctioning of a tracheostomy.
 2.  4. Under ordinary circumstances, ESPs shall not be asked to toilet or diaper a student unless properly trained or certified to carry out necessary procedures. The parties recognize that variations may occur in dealing with disabled children, but reasonable efforts shall be made to relieve nonmedical personnel of these duties. Reasonable efforts shall also be made to relieve an employee of diapering or toileting a student of a gender different than that of the employee if the student has started to develop secondary sexual characteristics. The parties recognize, however, that gender staffing in certain programs and centers may preclude such relief.
 5. The ESP shall have the necessary safety materials, garments, and materials necessary for completion of any required procedure.
- D. Any case of assault and/or battery upon an ESP in connection with an exercise of legitimate ESP authority will be reported to the Worksite Supervisor who will investigate and report the incident to a representative of the Board. A representative of the Board will notify the Association and confer with the ESP to advise him of his rights and responsibilities with regard to the matter. Criminal charges will normally be filed in such cases. A

ARTICLE X. EMPLOYEE WORKING CONDITIONS (Cont.)

representative of the Board will offer to assist the ESP in pressing such charges as are appropriate. A student who deliberately and knowingly strikes an ESP will be suspended from school and shall be recommended for expulsion.

Nothing contained in this section shall prohibit an ESP from contacting the proper legal authorities and filing charges against the person or persons who assaulted and/or battered the ESP. No punitive actions shall be taken by any administrator against any ESP who exercises his legal rights under this section.

Section 5. Health & Safety

- A. ESPs will be furnished with the equipment and supplies necessary to perform the task required of them, unless the job description specifies otherwise.
- B. Both parties agree that it is in the best interest of educational personnel and students to be free from communicable disease.
 - 1. When recommended by the chief medical officer of the Alachua County Health Department, and upon recommendation of the School Health Advisory Council, the Board may require ESPs to present evidence of freedom from a particular communicable disease. No ESP shall be compelled to submit to any test without a written statement of the need for such a test from the School Board.
 - 2. Under these conditions, medical screening tests will be provided to ESPs at no cost. Screening means presumptive identification of disease by tests that can be easily and rapidly given to apparently healthy persons. The tests will normally be conducted by Alachua County School nurses or Public Health nurses at the worksite within the work day, under the supervision of a licensed physician.
 - 3. ESPs with a history of positive reaction to a screening test will be allowed to submit a physician's statement or medical history in lieu of undergoing the screening test.
 - 4. ESPs declining to submit to a screening test on religious grounds will suffer no disciplinary action from the Board.
 - 5. ESPs who choose to have the screening tests performed by their private physicians will be responsible for the costs incurred.
- C. ESPs shall report potentially unsafe conditions at the worksite to the worksite supervisor or designee. The worksite supervisor or designee will investigate, as soon as feasible after the ESP has made the report, and take action to correct conditions which are hazardous or potentially dangerous. Should the worksite supervisor or his designee determine that the condition creates an immediate danger to the ESP(s), other employees or students, he will take immediate action to prevent harm to the ESP, other employees and/or students. The ESP(s) will be informed of the action(s) which has been taken.

ARTICLE X. EMPLOYEE WORKING CONDITIONS (Cont.)

If a disagreement arises over the action or lack of action of the worksite supervisor, for a condition creating an immediate danger, the ESP shall first inform the Superintendent or his designee who will have ten (10) days to review the reported situation and make a final determination.

- D. Employees are required to immediately report to their worksite supervisor any accident or injury, major or minor, which may occur to them.
